FOR LOTS 42 & 45

It is the builder's complete responsibility to ensure that all plans submitted for approval fully comply with the applicable Architectural Design Guidelines and all applicable regulations and requirements, including zoning provisions and any provisions in the subdivision agreement. The Control Architect is not responsible in any way for any errors or omissions in these plans, or for any building drawings which depend in any manner on building code or permit greater or less than any house can be properly built or licensed on its lot.

This is to certify that these plans comply with the applicable Architectural Design Guidelines approved by the Township of King.
