Subject: Suite 2304 -Tower 1- Purchaser from London,England

Hello Mira,
Hello Debbie,

I have backdated the date of the agreement for Suite 2304 Tower 1 for a purchaser from London England to reflect September 3rd rather than August 19th. His uncle from (Iraq and Quatar) has purchased 1404 in Tower 1. I should be receiving cheques by mail this week and he is emailing me today to confirm all the details of the Purchase and Sale Agreement is in order before I courier the deal to London. This deal is without an agent or broker and so was the deal for his uncle. The uncle daughter lives in North York and he is moving to Canada. Thank you.

Regards
