Subject: Suite 3007 Tower One The Residences

Hi Angie,

I received a phone call from Rajesh, purchaser of Suite 3007 in Tower one; he indicated to me that his cheques were deposited- (The money wasn't withdrawn from his account). He has submitted 3 more cheques to replace the first 3 cheques. Rajesh wants to make sure that the cheques from CIBC aren't used and that the Cheques from HSBC are used as he has put a hold on the CIBC cheques. Can you look into this for me and let me know if you have the CIBC cheques in your possession, just to ensure that they weren't deposited. The cheque numbers are 111/112/113 (Rajesh Venkataraman).

Thanks,

Andrea R. Alsip
