Confirmation of Receipt of your 30-Day Form

This notice is to inform you that we received your 30-Day Form and are accepting it based on the Date of Possession, January 19, 2009, of record for your home. Please note that this is the only 30-Day Form we can accept for your home, as outlined in the *Homeowner Information Package*.

All items noted on your 30-Day Form that are part of your unit and are covered by warranty under the *Ontario New Home Warranties Plan Act* ("statutory warranty") should be repaired or otherwise corrected by your builder by June 19, 2009, except as noted below*. If any of these items have not been corrected by this date, you may contact us between June 20, 2009 and July 20, 2009 to request a conciliation inspection of your home to assess the situation. If you do not contact us during this time period to request a conciliation inspection, we will consider all items listed on your 30-Day Form resolved and the matter closed. (You may resubmit the item(s) at a later date if the warranty covering those item(s) is still in effect.)

Because it can take several months for the natural materials in your home to dry and settle, new items may emerge over time. Your next opportunity to report to us any items that are covered by the statutory warranty occurs during the last 30 days before the first anniversary of possession of your home. During that period, you may report any such items by submitting the Year-End Form to us and sending a copy to your builder. (See your *Homeowner Information Package* for more details.)

The repair timelines listed above do not apply to items included in your condominium project's common elements because such items are not covered by your unit's statutory warranty. You should report these items in writing to the condominium corporation's Board of Directors. (For a complete description of your unit's boundaries, refer to Schedule "C" of the declaration of your condominium, which should be included with your Disclosure Statement.)

* Please note there are specific situations - such as emergencies and completion of your new home's landscaping - in which this timeline does not apply. Please refer to the *Homeowner Information Package* for more information about the Statutory Warranty Process and exceptions to it.

You may wish to visit our website to consult the *Construction Performance Guidelines*. The Guidelines describe many of the most commonly reported warranty items and indicate which are covered by warranty under the *Ontario New Home Warranties Plan Act*.
