Hi Richmond,

This is regarding unit 1811. Please find attached authorization from my husband to make the color decision on his behalf. Also, please just supply the carpet, but DO NOT install. The other question I have is can you supply the hardwood floor option "L" that we choose but don't install it in the living room and hallway area just leave it for us we will install ourselves?

Let me know if that is ok, my number is 416-744-6102 ext. 2002 and fax is 416-744-8928.

Thanks
Ivonne
