Subject: Elle unit #2802

Dear Richmond,

I am Dominic, I have received the email regarding the colour selections for my condo unit. I would like the following colour selections:

Kitchen: A

Main Bath: D

Ensuite Bath: E

Wood Floor: K

Carpet: N

(same as the model suite)

I was wondering how much the upgraded stone bathroom counter top would cost for both the baths in the unit. As well, when will I be able to choose the other upgradable options and at what cost. If you already have the info please email me a list of the options and price. Thanks!

Best regards,

Dominic

P.S. - I will not be in Toronto until the end of August, is it possible for you to arrange the iPod Nano to be picked up in September? Thanks!
