Re: Pre-Move In Inspection Appointment

Dear Asim,

This is a follow up letter to inform you that your unit has firmed up, and we have attempted to get in contact with you in regards to booking a Pre-Move In Inspection for your suite. If you could please contact Amacon Head office as soon as possible so that we can set a date and time for you to visit your new home.

We at Amacon feel that it is important that the homeowner gets a chance to inspect their newly purchased home before the final move in. The Pre-Move In Inspection allows the homeowner to have a written record of all the items that are incomplete, damaged, missing, inaccessible or not operating properly.

The Pre-Move In Inspection is part of your warranty coverage under Tarion and ensures that your new home has been completed in accordance with the terms of your Agreement of Purchase and Sale. It's also a chance to learn the proper technical operations and maintenance of your home.

If we do not hear back from you by May.9.2011, according to your Agreement of Purchase and Sale, the Builder will be obligated to perform the Pre-Move In Inspection on your behalf.

If you have any questions regarding anything in the enclosed, please feel free to contact our Customer Care Centre by email customerserviceto@amacon.com or by phone 416 369 9069.

Thank you for your co-operation.

Regards,

Amacon Customer Care.
