Don't

Service Request:

Master bedroom – replace window – centre column bottom window: *Nothing noted on PDI, please investigate to see if a warrantable item*

2nd Bedroom – window screen needed – missing when we moved in: *On the Pass system it was noted that the operatow window was missing but has it complete – no mention of the window screen, please investigate*

Master washroom – lower draw has a chip – was there before moving in: *Only motation was that there was a mark on the front of the drawer – Cartier completed November 18 as per the PASS*

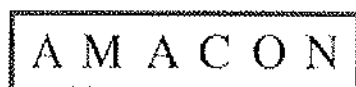

TOUCH-UP

I will look into the locker issue and reply to the homeowner

Permission to enter granted

Thank you
