### **We Have Accepted Your 30-Day Form**

Dear Homeowner,

Thank you for submitting a 30-Day Form. We are accepting this form based on the Date of Possession of record for your home, December 30, 2011.

#### **What Happens Next**

Your builder should resolve the items that are covered by the warranty by June 7, 2012. Please note there are specific situations for which this timeline may not apply (such as repairs to the exterior of your home which require suitable weather conditions). For more details about repair periods, please refer to the *Homeowner Information Package* or contact us at the number below.

#### **If Your Items Are Not Resolved**

If your items are not resolved by the above date, you must contact us between June 8, 2012 and July 9, 2012 to request a Tarion inspection of your home to assess the situation. If you do not request an inspection during this time period, Tarion will consider all the items listed on your form to have been withdrawn and will not be able to resolve the situation.

#### **Note to Condominium Owners**

Tarion's Warranty Forms are for reporting items related to your unit. Common element items must be reported to the condominium corporation's Board of Directors. For a complete description of your unit boundaries, please refer to the disclosure statement attached to your purchase agreement.

#### **Manage Your Warranty Online with MyHome**

If you have not already done so, please register for MyHome, a web-based service that allows you to submit Tarion forms and manage your warranty online at your convenience. Visit [www.tarion.com](http://www.tarion.com) to register.

If you have any questions, please contact us at 1-877-982-7466.
