Hi Irene,

We tried contacting the purchaser Jeff Huang and could not find him.

The PDI for PSV2 is starting this month and the occupancy will also be starting very soon.

If you could assist, could you try to provide the lawyer's info (Law Firm's Phone/Fax, Email, Lawyer's Name, Postal address, & Web address if applicable) back to us ASAP.

We need the contact info

Thank you for your help.
Best regards,
