Hi good morning Richmond,

The purchaser of units 2001 and 2005 (Wei Li) had emailed your sales admin. on Aug 20 and update her lawyer's information, but looks that the builder's lawyer (Blaney McMurtry) didn't got this

information from your sales admin. That's why purchaser's lawyer did not receive the most updated interim closing date for the two units 2001 and 2005. Can you check with the sales admin people

and see if they had updated the lawyer information to the builder's lawyer or not. If they hadn't do that, please ask them to update it and have the builder's lawyer to fax the two confirmation of

interim closing to the purchaser's lawyer asap.

Thanks very much for all your help.

Regards...Eric
