We will require a property valuation supporting the market value in accordance with our standard lending criteria.¹ Additional documentation may be required based on your individual situation at the time of a full application. We recommend if you are purchasing a property that you do not waive your financing conditions until we provide you with a final approval. RBC® has alternative financing options to discuss with you if you cannot satisfy all of the requirements.

It is important that you consider protecting your mortgage with life and disability or critical illness insurance. This coverage will help to protect what's important to you and your family.

Thank you for the opportunity to assist you in finding the best possible financing solution for your home. If you have any questions, please do not hesitate to call me at 1-416-453-9554. I will be happy to help.

Sincerely,

RIMA YACoub
