RATE INFORMATION

- For fixed-rate mortgage loans, the quoted rate is guaranteed not to increase provided the mortgage loan amount is fully advanced on or before the expiry date of this Certificate. Your interest rate will be determined on the date funds are advanced and you will receive the 10th of the interest rate included on this Certificate and the interest rate posted for the selected mortgage loan type and term. On the date funds are advanced, interest is calculated semi-annually, not in advance.
- For variable-rate mortgage loans, interest rates are based upon CIBC Prime Rate which fluctuates from time to time and therefore, there are no rate guarantees for variable rate mortgage loans. The interest rates indicated in this Certificate simply represent the rates based upon CIBC Prime Rate in effect as at the date of the Certificate and are subject to change. Interest for variable rate mortgages is calculated daily using a simple interest formula (which is the same as calculated yearly) not in advance.
