Dear RONNY HOURANI,

We are pleased to enclose your new Client Card - now with built in features including chip technology and INTERAC Flash[†], to provide you added security and convenience.

Chip technology makes an already secure payments system even stronger and gives you even more protection against fraudulent card use.

INTERAC Flash is a new contactless feature that allows you to make small purchases securely at select merchants without having to insert your card or enter your PIN. It's safe, secure and very convenient.

To learn more about chip technology and INTERAC Flash please refer to the enclosed brochure.

Accessing your account

Your Client Card identifies you as a client at any of our branches and also offers the convenience of accessing your account(s) through:

- RBC® ATMs and other INTERAC[†] ATMs across Canada
- RBC Online Banking, Mobile Banking and Telephone Banking
- Cash withdrawals at ATMs worldwide that display the PLUS[†] symbol

We hope you enjoy the speed and convenience the new contactless technology provides as more merchants continue to introduce the INTERAC Flash enabled reader over the next while.

Our goal is to meet all of your personal and financial requirements. Should your needs change, we would be pleased to help you select the financial services that are right for you.

For more information about your Client Card or any of our banking services, please contact your branch, call 1-800-769-2511 or visit www.rbcroyalbank.com.

Please follow these important steps:

- **Sign your new card and start using it immediately - your existing card will no longer be valid.**
- Destroy all previous Client Cards with the same card number.
- Read your Client Card Agreement.
