Recirculating Kit

Foglia features a gently arched front that softens the units profile and provides an angled panel for easy access to the controls. Available in 30" & 36" widths, Foglia includes a powerful 600 CFM blower, halogen lighting with 2 light intensities, stainless steel microhole filters and multi-function electronic controls with LCD display that deliver convenience and safety.

Designed for standard ducted installation, Foglia can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.

Elica Heat Guard: A technology that protects the hood and cabinetry from excessive heat by generating extreme temperatures and automatically adjusting blower speeds accordingly.

Elica CRS: CFM Reduction System (CRS) is an exclusive feature to Elica hoods, which enables the installer to reduce the maximum blower CFM, to meet local code requirements.
