Appliance Specification Confirmation Sheet

Appliance specifications for: Jennifer Li

Sales Rep: JESSICA

Invoice: HB00013923

Store Location: ST CATHARINES

Email: jessica.dugandzic@goemans.com

Date: Sept 19/16

Pages including cover: ①

Please find attached the most current specifications for the appliances purchased by our mutual customer.

We have included a copy of the customers packing slip with full model numbers. Please take a moment to check against the specification sheets to insure you have all the information you may require.

While we have provided the most current information available from the manufacture, the dimensions and information attached are for planning purposes only. As per the manufacturer specifications are subject to change without notice.

Please do not hesitate to call or e-mail the sales rep if you require further information not enclosed. We are always pleased to help.

We have advised the customer that it is their responsibility to communicate any changes to this order to their kitchen designer/builder as soon as possible to avoid errors in design or rough in.

Please sign below confirming both receipt of this package and that you have reviewed the information enclosed to ensure specifications match the attached packing slip.

5.9 cu. ft. Freestanding Electric Range

⑤
JD

Installing Your Range

*30" minimum clearance between the top of the cooking surface and the bottom of an unprotected wood or metal cabinet; or 24" minimum when the bottom of the wood or metal cabinet is protected by not less than 1/4" flame-retardant millboard covered with not less than no. 28 MSG sheet steel, 0.015" stainless steel, 0.024" aluminum or 0.020" copper.

**15" minimum between the countertop and the adjacent cabinet bottom.

IMPORTANT: To eliminate the risk of burns or fire caused by reaching over heated surface units, cabinet storage space located above the surface units should be avoided. If cabinet storage is to be provided, the risk can be reduced by installing a range hood that projects horizontally a minimum of 5" beyond the bottom of the cabinets.

Radiant Ceramic Cooktop

- Right Front: 6/9/12", 3.0 kW
- Left Front: Radiant 6/9", 3.3 kW – Rapid Boil™
- Right Rear: Radiant 6", 1.2 kW
- Left Rear: Radiant 6", 1.2 kW
- Centre Rear: Warming Centre, 7"

Oven

- Hidden Bake Element
- Bake: 175°F - 550°F (79°C - 288°C)
- Convection Bake: 175°F - 550°F (79°C - 288°C)

SAMSUNG

*Samsung received the highest numerical score for ranges, cooktops and ovens in the proprietary J.D. Power 2014 Kitchen Appliance Study™ Study based on 15,380 total responses measuring 17 ranges, cooktops and oven brands and measures opinions of consumers about their new appliances purchased in the past 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in January-March 2014. Your experiences may vary. Visit jdpower.com.

Actual colour may vary. Design, specifications, and colour availability are subject to change without notice. Non-metric weights and measurements are approximate. Clearance requirements are the recommended minimum only. Check the regulations and codes in your area for any additional requirements.

FRONT LOAD WASHERS

Fast Forward your Laundry

Tired of spending hours on end finishing your family's laundry? Now, those days are gone. LG's revolutionary TurboWash™ Technology allows you to save 20 minutes on larger loads, with outstanding cleaning performance! It's like pressing the fast forward button on your laundry.

Deep Clean with Steam

LG Steam Technology penetrate fabric to remove soil and enhance cleaning results. It also removes common household allergens. The Allergiene™ cycle gently removes over 95% of common household allergens, like dust mites and pet dander from even the most delicate fabrics. It's so effective it's certified by the Asthma Society of Canada (ASC).

More Free Time

Towers of towels, piles of sweatshirts, and a mountain of jeans? Go for it. The ultra large capacity (5.0 cu.ft.) washer lets you do more laundry in fewer loads. That's time well saved.

Count On It

When you buy a washer, you don't want to worry that it won't last. Because the DirectDrive™ Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.

NFC Tag On

Easily change and customize cycles with a simple tap of a smart phone app. Can't find a cycle you need? There's an app for that. Your laundry just got a little bit smarter.

Call, Connect, Resolve

SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone providing you with comfort and reliability.

All the Right Moves

With 6Motion™ Technology, each wash cycle combines up to 6 different wash motions to provide a revolutionary cleaning experience and ultimate fabric care.
