SAMSUNG

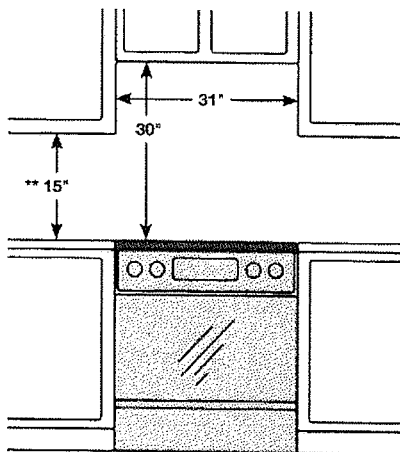

NX58H9500WS

5.8 cu. ft. Slide-in Gas Range with Intuitive Controls

Installing Your Range

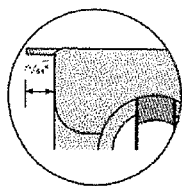

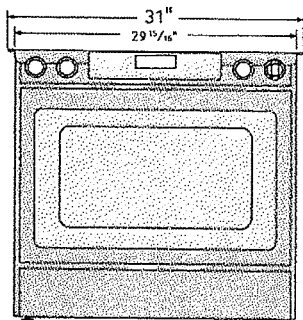

30" minimum clearance between the top of the cooking surface and the bottom of an unprotected wood or metal cabinet; or 24" minimum when the bottom of the wood or metal cabinet is protected by not less than 1/4" flame retardant millboard covered with not less than no.28 MSG sheet steel, 0.015" stainless steel, 0.024" aluminum or 0.020" copper.

** 18" minimum between the countertop and the adjacent cabinet bottom.

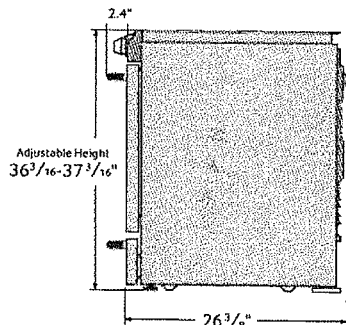

IMPORTANT: To eliminate the risk of burns or fire caused by reaching over heated surface units, cabinet storage space located above the surface units should be avoided. If cabinet storage is to be provided, the risk can be reduced by installing a range hood that projects horizontally a minimum of 5" beyond the bottom of the cabinets.

Dimensions

Glass cooktop overlaps and sits on top of your kitchen countertop to give a built-in look. Cut out space for the range is 29 12/16.

Total Power (BTU)
57,000 BTU

Power Source
120 V/60 Hz

SAMSUNG

RF28HFEDBSR

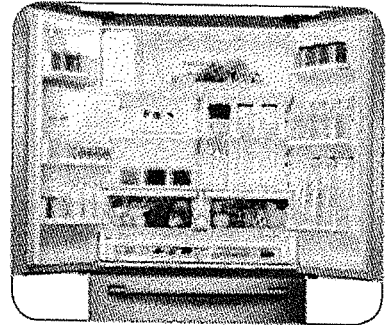

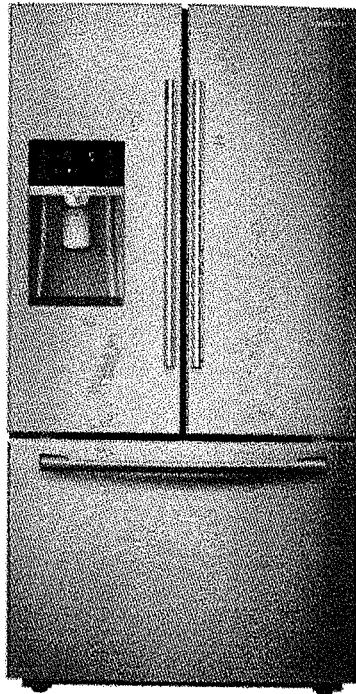

28 cu. ft. French Door Refrigerator with CoolSelect Pantry

Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, moulding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entry way in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cut-out information is for planning purposes only. For complete installation details consult manual packed with product, or download manual online at samsung.com.

SAMSUNG

Samsung received the highest numerical score for ranges/cooktops/ovens, microwaves, and french door refrigerators (3 way tie) in the proprietary J.D. Power and Associates 2014 Kitchen Appliance Study. The 2014 Kitchen Appliance Satisfaction Study is based on more than 3,200 evaluations from customers who purchased cooktops/ranges/ovens, more than 2,100 evaluations from customers who purchased over-the-range microwaves, and more than 8,400 evaluations from customers who purchased refrigerators during the past 24 months. The study was held from January through March 2014. Actual colour may vary. Design, specifications, and colour availability are subject to change without notice. Non-metric weights and measurements are approximate.

Product Information

This Samsung dishwasher makes a sleek addition to any modern kitchen with its smooth stainless steel finish. It features a quiet operation element so you can clean your dishes at any time, day or night. The StormWash system ensures even the toughest cooked-on foods are removed from your pots and pans with its heavy-duty, rotating spray jets that make pre-washing a thing of the past. For faster cycle times, the AutoRelease door automatically opens after each cycle to remove excess moisture and to ensure your dishes dry quicker.

Product Dimensions: Width: 24" Height: 34" Depth: 25"

Finish:

Stainless Steel

Unique Features:

The StormWash™ heavy-duty wash system provides powerful rotating spray jets positioned at every angle to get the messiest pots and pans thoroughly clean, eliminating the need for pre-washing.

The AutoRelease™ Door automatically pops open at the end of a cycle to dry dishes faster.

The Light Indicator displays whether it's running and can be seen from across the room.

Care Instructions:

Refer to manufacturer's use and care guide.

Perfectly clean various dishes

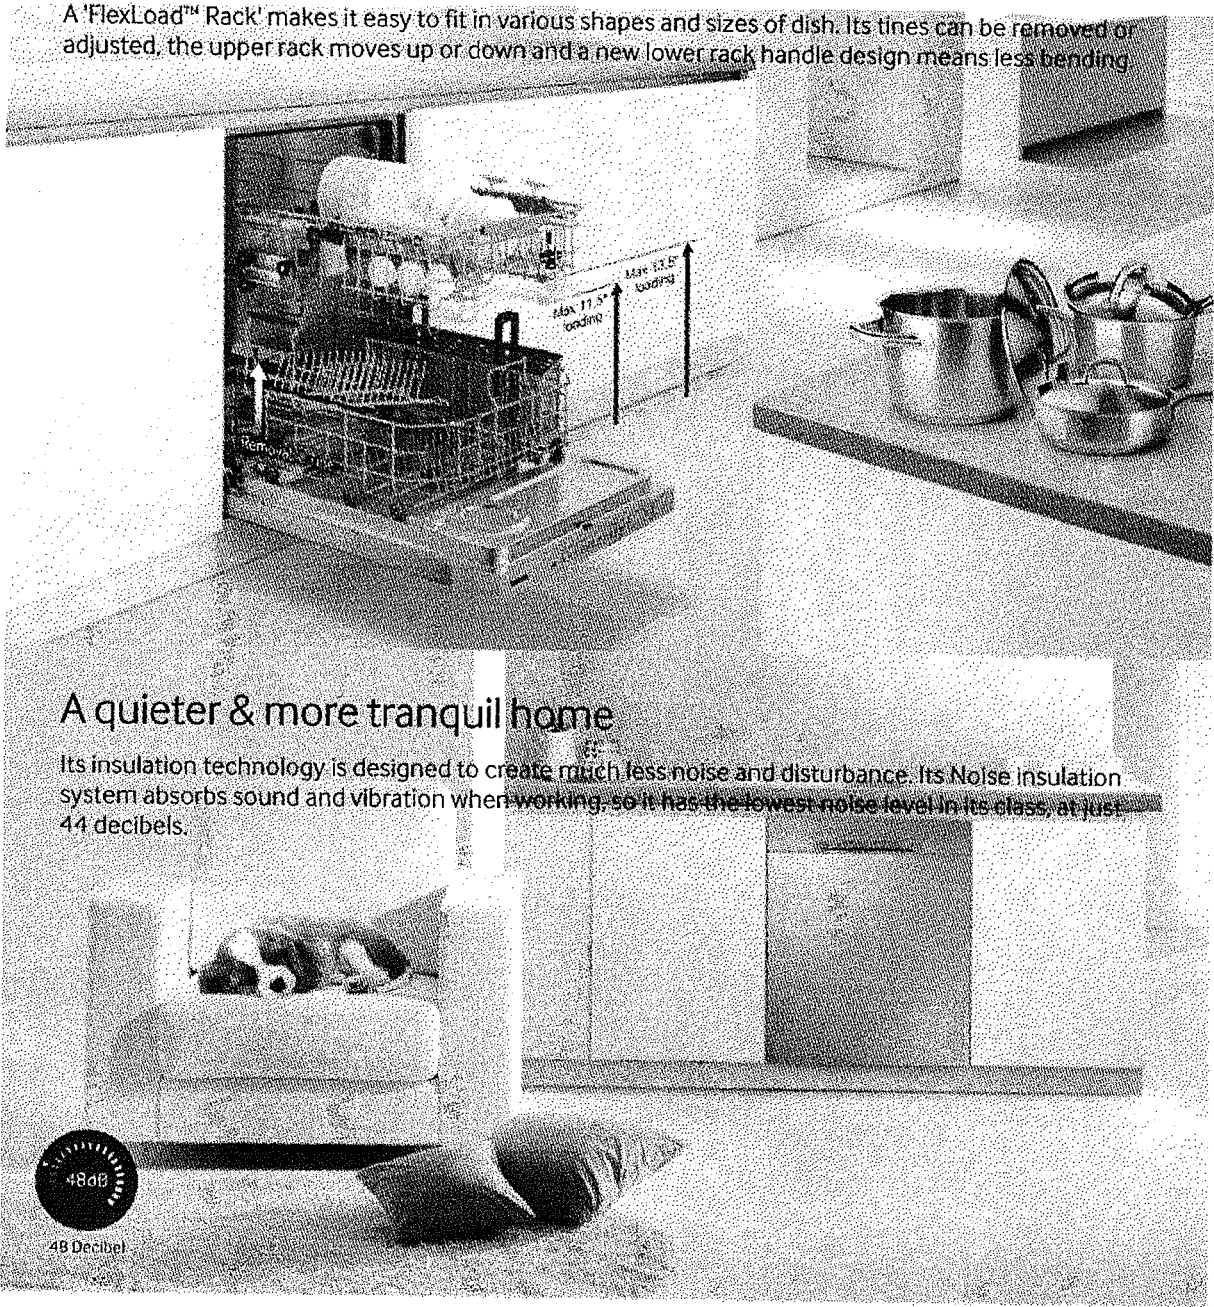

The StormWash™ heavy-duty wash system gets the messiest pots and pans perfectly clean without pre-washing. An extra spray jet blasts water from every angle to clean heavily soiled dishes of various shapes and sizes.

**Auto opens to dry faster**

Enjoy sparkling clean dishes every time with the 'AutoRelease™ Dry' feature. At the end of a cycle it automatically opens the door to allow steam to escape, while a fan creates a curtain of air to protect your worktop.

More flexibility, more dishes
