NEW

KitchenAid® 30" 5-Burner Gas Cooktop

4.4

255 Reviews Write a Review

This 30-inch gas cooktop provides exceptional power with five individual burners, including a powerful 17K BTU Dual Ring Burner. For added versatility, the 6K BTU Even-Heat™ Simmer Burner creates ideal conditions to melt without scorching. The CookShield Finish protects the cooktop against stains that may occur due to high-temperature cooking and makes it easy to wipe clean without harsh chemicals.

KitchenAid® 30" Combination Wall Oven with Even-Heat™ True Convection (lower oven)

4 6

5 Reviews Write a Review

This 30" Combination Wall Oven with Even-Heat™ True Convection provides consistent heating and even cooking. A unique bow-tie shaped design and convection fan helps ensure there are no burnt edges or under cooked centers. Its upper Microwave Convection Cooking Oven combines a 900 watt microwave with a 1600 watt convection element for high speed cooking. Bold design details are the perfect balance of elegance and functionality.

KitchenAid®

KitchenAid® 46 dBA Dishwasher with ProWash™ Cycle

4.7

3111 Reviews Write a Review

This intuitive top control dishwasher features the ProWash™ Cycle, which determines the ideal cycle based on load size and soil level and then makes real-time adjustments to achieve the best cleaning performance. The durable Stainless Steel Construction combines quality craftsmanship with beauty, resists streaks, stains, and odors while retaining heat. The Heat Dry Option, delivers better drying using a recessed heating element.
