KitchenAid®

23.8 cu. ft. 36" Counter-Depth French Door Platinum Interior Refrigerator

★★★★★ (0) Write a review

Open the largest capacity counter-depth refrigerator in its class¹ and discover a beautiful platinum interior and plenty of flexible storage, including a slide-away shelf for tall items and a pan that turns unused space into a prep station. The full-extension self-close drawers, pantry and exclusive pull-out tray let you store more and find it easily, while the Preserva® Food Care System with Linear Compressor helps maintain the peak of freshness.

AVAILABLE COLOR OPTIONS

☐ Stainless Steel - KRFC704FSS

FEATURES

Under-Shelf Prep Zone

Utilizes empty space beneath the shelf to create a prep zone ideal for dough, desserts or marinating meats. 6" x 10" x 2" slide-out pan is oven- and dishwasher-safe, and easily transitions from fridge to oven so you can stay in the creative flow.

Slide-Away Shelf

Features a versatile design that allows three-quarters of the shelf to retract to accommodate taller items, such as wine bottles, up to 16.75 inches. This flexibility offers the most tall-item storage space in its class² and helps optimize organization.

Full-Extension Self-Close FreshSeal™ Crispers

Maintain optimal humidity levels to help keep produce at peak freshness. Brightly lit drawers open fully so you can see and easily access all your items.

Additional Features

Full-Extension Self-Close Custom Temperature-Controlled Pantry Drawer

Features four presets so you can customize temperature for meat/fish, cold drinks, deli/cheese and wine. Enjoy the effortless feel of self-close glides plus full-drawer extension.

Preserva® Food Care System with Linear Compressor

Provides the height of food preservation with independent cooling systems for the refrigerator and freezer plus a Produce Preserver to help keep food at its peak. The Linear Compressor offers minimal temperature variations and an efficient cooling system, making this our quietest free-standing refrigerator.

In-Door-Ice® System

Adds interior room in the refrigerator with a slim-profile ice bin that mounts on the inside left door, keeping it out of the refrigerator compartment. This space-saving design leaves room for two additional door bins ideal for condiments and cans.

Panoramic LED Lighting

Provides increased visibility to your ingredients with strips of lighting on the sides, ceiling and back of the refrigerator, as well as in the crisper and pantry.

Three Full-Width Adjustable Shelves

Offer 2 levels of adjustment for each shelf with a simple flip of a lever. The full-width, flush design allows for maximum visibility and easy cleaning and helps this refrigerator offer the most shelf space in its class³.

Measured and Favorite Water Fill

Displays and automatically dispenses water in ounces, cups or liters. You can choose from three programmed settings to pour a measured amount. Plus, two custom presets can be programmed for items you frequently fill like a coffee pot or water bottle.

Full-Extension Self-Close Pull Out Tray in Premium Wood Finish

Is ideal for large platters. The tray comes in a moisture- and stain-resistant premium wood finish and removes for easy cleaning. Full-extension allows easy access and self-close glides provide effortless movement, even when fully loaded.

3-Tier Self-Close Freezer Drawer with Extend-Freeze Setting

Is a self-close freezer drawer that organizes items on three levels with features like a divided lower drawer, pizza pocket, small-item drawer and flat-item shelf. An Extend-Freeze setting helps keep food at its best by reducing freezer burn.

Platinum Interior Design with Premium Wood Finish Accents

Includes a dramatic combination of silver glossy walls offset by a beautiful wood finish material that is moisture- and stain-resistant. The platinum interior masks dirt to keep refrigerator looking pristine and showcases your ingredients beautifully.

Exterior Ice and Water Dispenser

Features intuitive controls to easily access functions. The water dispenser is positioned just right to easily fill cups, pitchers, pots and more during food preparation and the ice maker provides more premium, smaller ice cubes.

FreshSeal™ Herb Storage

Is a dedicated container that locks in freshness by maintaining higher humidity levels to keep herbs fresh. It fits tall items like parsley, cilantro and rosemary, as well as oregano, thyme and mint, and can be placed anywhere in the refrigerator.

Removable Door Bins with Metal Accents

Offer the ideal refrigerator-to-table solution because they're easily removed from a metal base, making them perfect for carrying condiments or other ingredients to the table. The bins are dishwasher safe for easy cleaning.

FreshSeal™ Dairy Bin

Features a gasket seal to help extend freshness and preserve the flavor of butter and other dairy items. This bin can also be used to store foods with strong odors so they do not affect other items.

PrintShield Stainless - KDTE234GPS

FEATURES

Third Level Rack

Adds 35% more space¹ and makes it easier to clean long and flat cooking tools like spatulas and serving utensils, as well as items like food processor blades and mixer beaters, while freeing up space in the lower two racks.

PrintShield™ Finish

Resists smudges and fingerprints. The specialized coating for stainless steel is easy to clean with just water and a soft cloth, so you can spend more time cooking and less time cleaning up the kitchen.

ProWash™ Cycle

Determines the ideal cycle for washing dishes based on soil level and then makes real-time adjustments to achieve the best cleaning performance.

Additional Features

Durable Stainless Steel Interior

Offers the beauty and benefits of stainless steel for the dishwasher interior. It resists streaks, stains and odors while retaining heat to help improve drying performance.

SatinGlide® Max Rails (Upper Rack)

Creates a smooth, premium feeling when pulling out the upper rack, particularly with heavy loads.

Sani-Rinse Option

Heats the final rinse water to 155°F, eliminating 99.999% of food soil bacteria.

Premium Adjusters in Upper Rack

Raise and lower the upper rack with ease to accommodate tall items.

Heat Dry Option

Engages a recessed heating element during the dry cycle to ensure dry dishes.

Express Wash

Quickly and effortlessly handles soiled dishes in less time.

Extended Heat Dry Option

Increases the cycle time for excellent drying performance.

Concealed Controls

Offers tucked away controls on top of the dishwasher door, providing clean, uninterrupted front panel lines that help you match other stainless steel appliances.

Filter-Based Wash System

Provides exceptional cleaning and drying, with wash arms designed to send just the right water pressure to key areas of the dishwasher.
