Current as of November 5, 2020. Offer ends January 31, 2021. Available to new residential customers in select dwellings in Ontario who live in a building or house that is eligible for this offer, who receive this letter, where technology, access and availability permit. Fibe TV may be incompatible with closed-circuit television systems in your building and affect access to security features, such as lobby camera. Any portion of the Bell Bundle Program may be modified, discontinued or terminated at any time. Bell is not obligated to provide the Bundle Discount for the duration of any term contract for Eligible Services, including the Discountable Services; see bell.ca/bundledetails. Subject to change without notice, not combinable with other offers. Taxes and restrictions apply. Customer must select e-bill and create a MyBell profile. **Fibe Internet:** Modem rental required; one-time modem rental fee waived for new customers. Subject to compliance with the Bell Terms of service; bell.ca/agreements. Maximum upload speeds can only be obtained on a wired connection. **Home phone:** By default, Canada and US long distance is 40¢/min. and \$2.95/mo. network charge applies on first call placed during a billing period. (1) Fibe TV app is available with select compatible devices. Download & Go is only available for recordings on smartphones and tablets. Requires Mobile network or Wi-Fi connection (except to watch your downloaded recordings). A PVR is required to manage and watch your recordings; recordings available for maximum 60 days with the Fibe TV app. Select live and on demand channels/content from your Fibe TV subscription is available for viewing. More channels/content and features (e.g., TV control features) are available over Wi-Fi at your home with a Fibe Internet connection vs. with a third party Internet connection or outside your home. Content viewed over Wi-Fi at home will count towards your monthly Internet data usage (if applicable). Mobile data charges may apply. Channels/content subject to change without notice and blackout periods may apply. Viewing live content with Google Chromecast™, Apple TV (4th gen. or 4K box), Amazon Fire TV (basic edition or higher) or Android TV (Google-certified) is only available within your home and an unlimited Fibe Internet connection is required. Viewing on the Fibe TV app is available up to HD and picture quality may vary based on Internet speeds. Other conditions apply. (2) Your promotion consists of a monthly credit off the current price. The current price is subject to increase during your subscription. If the current price increases your monthly price will increase but you will continue to receive your monthly credit during the promotion. Credits apply to the first full 30-day billing period and for each full billing period after that, for the duration of the promotion. A billing period may not start on the day of subscription or installation of services. Price without credit will apply prior to the first full 30-day billing period or if services are terminated during a 30-day billing period. Pricing is based on continued subscription to: Fibe TV Better package at \$50.95/mo. (\$95.45/mo., less \$44.50 credit); Unlimited Gigabit Fibe 1.5 Internet at \$48.95/mo. (\$129.95/mo., less \$81 credit for 24 complete billing periods); and Home phone Lite at \$0/mo. (\$47.95/mo., less \$47.95/mo. credit). Any change made to services may affect the price and/or result in the loss of credits or promotions, as the case may be, as eligibility conditions may vary. Installation included: \$209.95 credit will be applied against the one-time activation/installation fee of \$209.95 for Fibe Internet and Fibe TV service. Fibe TV: Includes installation of modem, 4K Whole Home PVR and up to 2 additional HD receivers; see bell.ca/fibetvinstall for details. \$50 installation fee for each additional receiver. Fibe Internet: Conditions apply; see bell.ca/fullinstall. Home phone: Installation includes one jack at the service entry point where none present; installation fee of \$75 for the 1st additional jack, \$50 for every subsequent jack. (3) Assuming optimal network conditions. A wired connection and at least one additional wired or wireless connection are required to obtain total speeds of up to 1.5 Gbps. (4) 4K Whole Home PVR: \$0 rental based on \$20 monthly rental fee, less a \$20 monthly credit. Available to new Bell TV subscribers only with continued subscription to three eligible Bell services. The receiver remains Bell's property. You may terminate your rental at any time provided you return the receiver. Receivers are rented and may be new or refurbished at Bell's choice. (5) Based on number of subscribers in Canada as of June 30, 2020. (6) Controlling certain features in your home requires compatible smart devices (for example, compatible smart thermostat, lights, etc.). (7) Includes installation of standard equipment in the selected Bell Smart Home package (no additional equipment/feature). The BELL and FIBE trademarks are owned by Bell Canada.
