

April 14th, 2021

Dear Trades,

As we are all still experiencing regulations of the Covid Pandemic we are requesting for everyone's safety once you enter the job site to sign in and register at the trailer. We have QR codes placed at the job site to make the process easier.

Please note that starting Monday April 19<sup>th</sup>, 2021 we will be enforcing health and safety practices. For anyone who is not following health and safety guidelines, tickets will be issued at the discretion of the site supervisors.

Please follow all health and safety guidelines while working on site. You may find a copy of our policy on our builder portal. Should you require a copy, please ask one of our team members and they will provide one for you.
