The diagram shows a top-down view of a sink assembly. A horizontal dimension line at the top indicates a width of 50". Below this line, the label "VBF3" is placed on both the left and right sides, pointing to vertical lines that define the width. The central area is labeled "SINK". Below the sink area, the label "VSB45" is placed, pointing to a horizontal line that defines the depth of the sink area.

Diagram illustrating a sink assembly. The width is labeled as 50". The components are labeled VBF3, SINK, and VSB45.

A diagram of a table with a total width of 96 inches. The table has two drawers on the left side, each labeled "W30". The drawers are positioned side-by-side, and their combined width is 60 inches. The remaining 36 inches of the table's width is occupied by the top surface and the right side of the table.
