- ვ. ვ.01 CONSTRUCTION LIEN ACT (ONTARIO) HOLDBACK

 The Builder shall retain a holdback out of each payment due to the Subcontractor hereunder in accordance with the provisions of the Act of 10% of such payment plus any amount in respect of which the Builder has received a written notice of lien (as that term is described in the Act). In addition where the Contract has been certified or declared to be substantially performed but labour, materials or services remain to be supplied to complete the Contract, the Builder shall retain, from the date of such certification or declaration, a separate holdback equal to 10% of the price of the remaining labour, materials or services if they are actually supplied under the Contract until all liens that may be claimed against such holdback have expired, or been satisfied or discharged or provided for, all as provided in the Act.

 Any lien or liens or claim or claims for lien pursuant to the Act shall be deemed to arise and expire solely on a lot by lot basis and under no circumstances may a claim for a general lien be asserted.

- 4.01
- 4.02 WARRANTY

 The Subcontractor warrants that the Work shall be completed in a good and workmanlike manner free of any defects in material or workmanship, and shall comply in all respects with federal, provincial, municipal and local building codes. The Ontario New Home Warranty Program, the minimum specifications of the C.M.H.C. and all plans, drawings and specifications provided by the Builder.

 The Subcontractor agrees that during a period of two years following the receipt by the Builder of the final invoice for Work any failure to perform or deficiency or defect in the performance of any obligation of the Subcontractor hereunder shall be remedied by the Subcontractor at its sole expense and to the satisfaction of the Builder, provided that the Builder may, upon five days written notice, and immediately in the case of an emergency, and without prejudice to any other rights, remedy such deficiency or defect or complete such failure to perform and may deduct the cost there of from payments due to Subcontractor. In exercising its rights under this paragraph 4.02 the Builder may take possession of any materials, tools or construction equipment owned or leased by the Subcontractor on the Site and use such materials, tools or construction equipment. The costs of such completion or remedy may be subtracted from any payment required to be made by the Builder to the Subcontractor. If the costs of such completion or remedy may be subtracted from any payment required to be made by the Builder to the Subcontractor. If the costs of such completion or remedy or temedy in the Subcontractor hereunder, the Subcontractor shall forwith pay, on demand, to the Builder an amount equal to the costs of such completion or remedy.

SCHEDULE AND SUPERVISION The Subcontractor shall provide a

 19.06 The Sub-Contractor shall co-operate with the Builder in avoiding labour disputes and shall e other workmen employed at the site. The Sub-Contractor shall at no time employ men at a vithe Industrial Standards Act or The Minimum Wage Act. and shall employ only men whose men at a wage that contravenes a e work presence shall in presence sha all be acceptable made pursuant i

20. FORCE MAJEURE
20.01 If performance by the Subcontractor of its obligations hereunder is prevented or delayed due to any cause or contingency beyond its reasonable control, the Builder may cancel the balance of the Work to be performed under the Contract and may withhold from any payment due to the Subcontractor hereunder such moneys as the Builder may determine are sufficient and reasonable to cover the cost of performing such remaining Work and to adequately protect the Builder from claims.

21. PATENTS, LICENCES, ETC.
21.01 The Subcontractor agrees to pay all royalties and patent license fees required for the performance of the Work and shall indemnify and save the Builder harmless from and against all losses, damages or claims arising out of any actual or alleged infringement of any patent by the Subcontractor.

22 22 01 EXPIRY OF TERM
If the Contract term

22.01 If the Contract term has expired and the Subcontractor has not commenced Work under the Contract because the Builder has not authorized the Work to be commenced then the Contract shall have expired and the parties shall have no rights or claim of any kind against each other.

22.02 If the Contract term has expired and the Subcontractor has performed part of the Work under the Contract in circumstance where the Work has been commenced but not completed on all of the lots, then, subject to the Builder exercising its rights under paragraph 5.02 in the event such non-completion is the fault of the Subcontractor, the Subcontractor shall complete the rest of the Work under the Contract as if the Contract had not expired within 45 days of the stated expiry date of the Contract upon the written direction of the Builder to the Subcontractor to do so delivered to the Subcontractor within five business days of the expiry date.

22.03 If the Contract term has expired and the Subcontractor has not commenced Work under the Contract on some lots then at the option of the Builder either (i) the remaining lots upon which the Work has not been commenced by the Subcontractor for any reason whatsoever shall be deemed to have been delived from the Contract and the parties shall have no rights or claim of any kind against each other in respect of such remaining lots; or (ii) the Subcontractor shall complete the Work on the remaining lots and on all other lots as if the Contract has not expired within 45 days of the stated expiry date of the Contract; which option shall be exercised in writing by the Builder delivered to the Subcontractor within five business days of the expiry date of the Contract; which option shall be exercised in writing by the Builder delivered to the Contract has not expired within 45 days of the expiry date of the Contract; which option shall be exercised in writing by the Builder delivered to the Contract had not expired within 45 days of the expiry date of the Contract; which option shall be exercised

BONDS

the Builder may require the Subsontractor to provide and maintain in good standing-bon ractor. Harsunder including, without limitation, the requirements of all warranties.

24. WORKERS' COMPENSATION

24. WORKERS' COMPENSATION

24.01 If the Subcontractor employs any person or, persons for the purpose of performing its obligations hereunder it shall produce and file with the Builder a "letter of good standing" (as that term is defined in the Workers' Compensation Act (Ontario)) from the Workers' Compensation Board and the Builder need not make payments owing to the Subcontractor under the Contract until such letter is filed or, if it is filed but then expires, until a replacement "letter of good standing" is filed. If such letter is not filed, the Builder may fulfill the Subcontractors obligation under the Worker's Compensation Act (Ontario) at the Subconfractor's expense.

25. 25.01 NOTICE
All notices and other communications required or permitted to be given hereunder shall be in writing; if mailed by pre-paid first class mail they shall be deemed to have been received three business days after the post marked date thereof and if a mailing hereunder is interrupted by a postal strike, three business days after the strike is over, if telegraphed or telexed they shall be deemed to have been received three business hours following dispatch thereof or they may be delivered by hand to an adult person during normal business hours at a business address of the Subcontractor, Notice of change of address for notice shall be governed by this paragraph 26.01.

MISCELLANEOUS
 26. UThis Contract shall be binding upon and ensured to the benefit of the Builder, its successors and assigns and the Subcontractor and its successors and permitted assigns, provided that this Contract may not be assigned in whole or in part by the Subcontractor without the prior written consent of the Builder.
 26.02 This Contract shall be deemed to have been made in and shall be governed by and construed in accordance with the laws of the province of Ontario and the laws of Canada applicable therein and the Builder and the Subcontractor agree that the courts of Ontario shall have non-exclusive jurisdiction to entertain any action in respect of this Contract.
 26.03 Time shall be of the essence of this Contract.
 26.04 Unless the context otherwise requires, the singular shall include the plural and the plural the singular and the masculine shall include the feminine.
 26.05 No party to this agreement shall be liable for any representation or warranty that may have been made or given by any party hereto or any agent or representative therof, whether intentional, negligent or otherwise, in respect of this Contract.
 26.06 The builder reserves the right to interpret plans and specifications as to their true intent and meaning, and the builder's decision on all matters in this respect shall be deemed final and binding.

27. 27.01 **SAFETY**The Subcontractor is responsible to ensure that his company is in full compliance with all rules and regulations according to the safety act and regulations for construction projects.
