Overview

Model # LDP6810SS Store SKU # 1001617834

Post-dinner party cleanup. Let your NSF certified LG dishwasher do the heavy lifting. LG QuadWash® provides maximum cleaning coverage making it easier than ever to get your dishes clean and with Dynamic Dry enhanced with TrueSteam technology you get up to 60% less water spots. The 3rd rack gives you more space to fit everything from long flatware to oversized cooking utensils.

- Fit up to 15 place-settings of dishes
- 44 dBA low decibel operation among the quietest dishwashers in its class

- Achieve maximum cleaning coverage throughout the entire cycle with the new QuadWash® system. With four spray arms instead of just two, QuadWash® also includes Multi-Motion arms that rotate back and forth while spinning. The high-pressure jets power-clean dishes from multiple angles to reach every nook and cranny
- Powerful yet gentle TrueSteam® virtually eliminates the need to pre-wash. The built-in TrueSteam® generator also enables gentle cleaning for fragile items (like stemware), and can also be used for heavy-duty cleaning like pots and pans
- The newly-enhanced EasyRack Plus system provides outstanding flexibility and convenience, adjusting to just about any load of dishes to help ensure optimal cleaning performance. Easy to adjust on-the-fly, this racking system can shift to handle any challenge your dishes can serve up
- LG smart dishwashers come with ThinQ® technology built-in, so you can get smartphone notifications when a cycle is complete. That means less waiting and more time to yourself. You can even check on the cycle status with voice commands using the Google Assistant, so you don't have to lift a finger
- The NeverRust Stainless steel interior tub helps improve drying performance and resists rust for years to come
- Turbo Cycle will clean heavily soiled dishes in an hour using slightly more energy and water. Express Cycle will quickly clean lightly soiled dishes in 33 minutes
- Dynamic Dry technology on all LG dishwashers delivers faster, more complete drying. So you get drier dishes for a more dynamic table
- Gently clean your delicate dishes, while power-washing heavy-duty pots and pans with Dual Zone Wash. This option allows you to vary the spray intensity in the upper and lower racks
- LG's Inverter Direct Drive Motor was designed with quiet in mind. With fewer moving parts and up to 48dB, you get reliable performance from one of the quietest dishwashers in its class
- Energy Star® rated, which means it uses less energy than required by current federal standards. Among the most energy-efficient dishwashers in its class

Overview

Model # CGU366P2TS1 Store SKU # 1001631510

Revel in this Cafe 36-inch gas cooktop. Commercial-style design and function with six burners give you the versatility you need to host any-sized soiree. Notably, the industry-exclusive Inspiral Burner is as beautiful as it is powerful, and the color-matched manifold is the only one of its kind.

- Versatile Cooktop - The cooktop on this range features an arsenal of burners that give you the right amount of heat and control to perfectly cook anything from sauces to expertly seared meats
- Superior Heat Distribution - The industry-exclusive Inspiral burner swirls the cooktop flame under cookware to more evenly spread heat from the center to the edges

- 9/25/22, 7:20 PM
- Café 36-inch Commercial-Style Gas Rangetop in Stainless Steel | The Home Depot Canada
- Multi-Ring Burner - A versatile burner offers different-sized flame rings on a single burner element, so it's like having multiple burners in one
 - Quick and Easy Clean-up - Keep your kitchen clean even when there's a spill with sealed cooktop burners that contain messes for easy cleanup
 - Electronic Auto-Reignition - Confidently cook over a steady flame with the electronic ignition's automatic reignition feature that instantly revives any accidentally extinguished flames

Overview

Model # LSHD3680ST Store SKU # 1001695114

Smoke, grease and cooking odors have no place in your kitchen. But neither do bulky hood vents that overpower your design sensibilities. LG STUDIO wall-mounted hood vents offer a streamlined, low-profile look that occupies minimal visual space, paired with a professional-grade 600 CFM blower that delivers ultimate air movement. The theme of powerful performance and refined style continues, with dual level LED lighting that brilliantly illuminates the cook top surface and sophisticated, touch controls. Available in 30-inch and 36-inch widths in elegant black stainless steel and classic stainless steel finish.

- Powerful 600 CFM Blower
- Sones (min-max) 1-6
- 5" Low-Profile Body
- Accommodates Ceilings up to 9'6"
- 5-Speed IR Touch Controls
- Dual Level LED Lighting

Overview

Model # WCES6428F Store SKU # 1001695117

You'll be hosting every party with the many cooking functions of this combination oven from LG STUDIO. Experience the even cooking of convection, combined with the instant power of Infrared Heating and everyone's family favorite Air Fry. This LG STUDIO combination double wall oven delivers all of that, and more. Use the TurboCook speed oven (upper oven) when time is of the essence, skipping preheating with nearly instantaneous Infrared Heating and a 2-in-1 convection microwave that produces oven-quality results two to four times faster than a conventional oven. Or experience the difference that True Convection and steam assist in the lower oven can make when baking or roasting. Plus, with ThinQ technology, you can control key oven features from anywhere, at any time.

- 1.7 cu ft. TurboCook Speed Oven
- 4.7 cu ft. True Convection Oven
- InstaView® Window
- 7" LCD Touch Display
- True Convection® with Air Fry and Steam Sous Vide
- EasyClean® + Self Clean
