

BX215**CLASSIC COLLECTION****Cyclone®***The fusion of design and performance***INSERTS**

The three speed push button control panel is located on the underside of the machine for easy access and control. The range hood cannot be seen from eye-level, allowing you to arrange your cabinets as though there were no fan, creating a fluid and classy look. Professional grade, machine washable baffle filters efficiently filter the air while bright halogen light bulbs provide all the illumination you'll need. Another innovative desing unique to Cyclone.
