

Undermount

Cyclone is proud to introduce our newest model, the CY917R. Sleek, understated and stylish, the CY917R under mount is perfect for kitchens that get heavy use but have limited space. Features a single, centered fan that boasts 300CFM of power with elegant, machine-washable mesh filters that are breeze to remove and replace. A powerful machine in a small frame, well-suited for condos, apartments and basement units.
