Registration of Constructors and Employers Engaged in Construction Inscription des constructeurs et des employeurs associés à des travaux de construction

Pursuant to section 5 of the Construction Regulations made under the OHSA, "Before beginning work at a project, each constructor and employer engaged in construction shall complete an approved registration form. The constructor shall ensure that each employer at the project provides to the constructor a completed approved registration form; and a copy of the employer's completed form is kept at the project while the employer is working there."

Conformément à l'article 5 du règlement intitulé Construction Projects, pris en application de la Loi sur la santé et la sécurité au travail, «les constructeurs et les employeurs associés à des travaux de construction doivent remplir un formulaire officiel avant de commencer leurs travaux. Les constructeurs doivent veiller à ce que tous les employeurs associés au chantier lui remettent un formulaire d'inscription dûment rempli. Une copie du formulaire d'inscription des employeurs doit être gardée au chantier tant et aussi longtemps que les employeurs y travaillent.»

HEALTH & SAFETY POLICY

Date: 06/02/2019

The Management of Base Windows Ltd. is vitally interested in the health and safety of its employees. Protection of employees from injury or occupational disease is a major continuing objective.

Base Windows Ltd will make all the necessary efforts to provide a safe working environment. All supervisors and workers must be dedicated to the continuing objective of reducing risk of injury.

Base Windows Ltd takes on the ultimate responsibility for its workers' health and safety, and every reasonable precaution will be taken for the protection of workers.

Supervisors will be held accountable for the health and safety of workers under their supervision. Supervisors are responsible to ensure that machinery and equipment are safe and that the workers work in compliance with established safe work practices and procedures. Workers must receive training in their specific work tasks to protect their health and safety.

Every worker must protect his or her health and safety by working in compliance with the law and with work practices and procedures established by the company.

It is in the best interest of all parties to consider health and safety in every activity. Commitment to health and safety must form an integral part of this organization, from the president to the workers.
