Futura Series
Fully Integrated Dishwashers

Custom Panel Installation

PV-126 *see attached*
Oct. 5, 2020

Some Miele dishwashers do not come equipped with a front panel. These dishwashers are designed to accept a custom door panel supplied by a cabinet maker. Miele has a unique panel integration system which allows the dishwasher to align with the surrounding cabinets.

- Width: 23 7/16" (595 mm) in all Cases
- Thickness: 3/4" (19 mm) in all Cases
- Height: Determined using the following calculation:

Panel Height = HTC – TKH

HTC = Height to the underside of countertop
TKH = Toe kick height

Note: Control panel is along the top edge of the unit. It is not visible when the unit is closed. A handle MUST be located on front of panel in order to open unit. (Except K2o models).

- Maximum panel height: 31 7/8" (810 mm)
- Minimum panel height: 27 1/8" (690 mm)
- Maximum panel weight: 21 lbs (9.5 kg)

GFVI Installations

Miele offers pre-fabricated stainless steel panels for all fully integrated units. These panels are designed for various toe-kick heights and offer a choice of handle options. See Miele Product Brochure for more info.
For Knock2open (K2o) models, an additional kit is required for use with stainless steel panel. Please contact Miele for further details.

SIDE-BY-SIDE

Model BI-48S(ID), BI-48SD

PV-126 ~~see attached~~
Oct 5, 2020

Opening Dimensions

FLUSH INSET INSTALLATION

NOTE: 3 1/2" (89) finished returns and shaded areas will be visible and should be finished to match cabinetry. Shaded line represents profile of unit with 3/4" (19) panel.

FLUSH INSET WIDTH	W
30" Model	32" (813)
36" Model	38" (965)
42" Model	44" (1118)
48" Model	50" (1270)

Flush inset is available for overlay models only.
Dimensions assume a 3/4" (19) panel thickness.

If an 83" (2108) grille height is specified, the flush inset height must be decreased by 7/8" (22). If an 88" (2235) grille height is specified, the flush inset height must be increased by 4" (102).

If two units are installed side by side, refer to page 17 for dual flush inset installations.

Futura Series Fully Integrated Dishwashers

Miele

Custom Panel Installation

PV-126
Oct. 5, 2020

Some Miele dishwashers do not come equipped with a front panel. These dishwashers are designed to accept a custom door panel supplied by a cabinet maker. Miele has a unique panel integration system which allows the dishwasher to align with the surrounding cabinets.

Width: 23 7/16" (595 mm) in all Cases
Thickness: 3/4" (19 mm) in all Cases
Height: Determined using the following calculation:

$$\text{Panel Height} = \text{HTC} - \text{TKH}$$

HTC = Height to the underside of countertop
TKH = Toe kick height

Note: Control panel is along the top edge of the unit. It is not visible when the unit is closed. A handle **MUST** be located on front of panel in order to open unit. (Except K2o models).

Maximum panel height: 31 7/8" (810 mm)

Minimum panel height: 27 1/8" (690 mm)

Maximum panel weight: 21 lbs (9.5 kg)

GFVI Installations

Miele offers pre-fabricated stainless steel panels for all fully integrated units. These panels are designed for various toe-kick heights and offer a choice of handle options. See Miele Product Brochure for more info.

For Knock2open (K2o) models, an additional kit is required for use with stainless steel panel. Please contact Miele for further details.

Overall Dimensions

SIDE-BY-SIDE

Model BI-48S(ID), BI-48SD

CLASSIC REFRIGERATION

NOTE: 3 1/2" (89) finished returns and shaded areas will be visible and should be finished to match cabinetry. Shaded line represents profile of unit with 3/4" (19) panel.

FLUSH INSET WIDTH	W
30" Model	32" (813)
36" Model	38" (965)
42" Model	44" (1118)
48" Model	50" (1270)

Flush inset is available for overlay models only.

Dimensions assume a 3/4" (19) panel thickness.

If an 83" (2108) grille height is specified, the flush inset height must be decreased by 7/8" (22). If an 88" (2235) grille height is specified, the flush inset height must be increased by 4" (102).

If two units are installed side by side, refer to page 17 for dual flush inset installations.
