General Conditions of Permit Issuance

This permit is granted subject to the terms on the Application and on condition that all work authorized by the permit shall be completed in all respects in accordance with the plans, specifications any other information on the basis of which the permit was issued, including The City of Vaughan Zoning By-Law and other Applicable Law.

This permit is subject to revocation on the expiry date shown above, unless the authorized construction or demolition has been seriously commenced.

Requirements For Inspection

The Permit Holder must provide to the Inspector with a minimum of 24 hours notice at each of the stages of construction listed on the reverse side.

The permit or a copy of it must be posted at all times during construction or demolition in a conspicuous place on the property. The Plans and Specifications reviewed and issued by this department must also be kept on site and be made available to Inspectors from the Building Standards Department.

(Printed at 12:07:03 on Nov 15, 2022)

THIS PERMIT OR COPY OF IT MUST BE POSTED IN A CONSPICUOUS PLACE ON THE PROPERTY
