Features

Additional Features

EZ-2-Lift™ Hinged Cast-Iron Grates

Get quick access to spills on the cooktop with our industry-first EZ-2-Lift™ hinged cast-iron grates. The hinged design lets you wipe up underneath without removing them. For a more thorough clean, the grates are also dishwasher-safe.

Upswept SpillGuard™ Cooktop

Clean up faster with a cooktop that has raised edges to help contain spills.

SpeedHeat™ Burner

Get dinner to the table fast with this burner that generates the high heat needed to sear and boil quickly.

AccuSimmer® Burner

Easily maintain low, even heat when cooking sauces and soups with the AccuSimmer® burner, which reduces power for better control at lower temperatures.

Fifth Burner

Make sure everyone gets their favorite with an extra, fifth burner that gives you more room to choose the right one for the dish.

Sealed Burners

Cut down on cleanup with burners that are sealed to prevent food from falling into them.

Full Width Grates

Maximize space with cast-iron grates that extend across the entire cooktop, giving you the flexibility to place pots and pans anywhere.

Dishwasher-Safe Knobs

Make cleanup easy by washing knobs right in the dishwasher.
