## Ice Max

The Ice Max produces up to 10lbs (4.5kg) of ice a day and store up to 4.2lbs (1.9kg) of ice at a time. And its slim and compact design means it takes up less space, so there is more room to store food.

 $^\star$  Based on internal testing compared with conventional Samsung model. Samsung RF28R7751: ice storage up to 4.2lbs (1.9kg) / ice making capacity per day up to 10lbs (4.5kg).

# EZ-Open™ Handles

Open the mid and freezer drawers with a gentle pull using the EZ-Open™ Handles. Simply lift up the handle and it breaks the door's vacuum seal. The drawer will glide open without having to pull hard, ideal for children or the elderly. But the latch keeps the door securely shut.
