Product Description

This 30-inch Café five-in-one wall oven is not only stylish, but strikingly versatile. Interchangeable hardware (sold separately) and stunning finish options give you total control over the colour palette in your kitchen. Advantium technology uses the power of light to make foods brown evenly and cook fast while retaining their natural moisture. Plus, this model combines five cooking technologies in one oven. That means you can create the show stopping results you get from a convection oven up to eight times faster. With this kind of flexibility in your kitchen, every meal is sure to impress.

Dimensions

Width: 29.75" (75.6 cm) Height: 20.13" (51.1 cm) Depth: 21.5" (54.6 cm)

Shipping Dimensions

Width: 36" (91.4 cm) Height: 26.13" (66.4 cm) Depth: 28" (71.1 cm)

Weight

82.00 lbs (37.2 kg)

Unique Features

Unmatched Versatility:

Enjoy a whole new level of cooking flexibility with a single oven that can be used in five different ways. Use it as a Convection Oven, Microwave, Toaster Oven, Warming/Proofing Oven, and Precision Cook Oven with Advantium Technology.

Advantium Technology:

Advantium technology harnesses the power of light. The outside of the food is cooked like a conventional oven, with radiant heat produced by halogen bulbs above and below the food. This halogen-produced heat receives a boost of microwave energy.

Full-Colour LCD Display Screen:

Easily navigate the wall oven settings using a stunning full colour display that adds an unexpected touch of style to your kitchen.

Wi-Fi Connect:

Control your wall oven with your smart device or simply by using your voice with built-in Wi-Fi Connect.

Customizable Knobs and Handles:

Where modern style meets luxury materials – choose to add customizable brushed copper, brushed bronze, brushed black or brushed stainless knobs and handles and make a bold statement with your kitchen design.

General Details

VSN	CSB923P4NW2
UPC/GTIN	084691840572
Fuel Type	Electric
Finish Colour	Matte White with Brushed Bronze
