KitchenAid®

36" Wall-Mount, 3-Speed Canopy Hood

KVWB606DSS

The power of this 36-inch vent hood effectively vents most cooking surfaces. One of the premium features of this vent hood is auto speed sensing that adjusts fan speed to help protect cabinets from potentially harmful steam, grease, and odors. The sharp, glass-touch display showcases easy-to-use touch controls.

Top Features

4-Speed Electronic Glass Touch Control
Provides electronic operation with visual feedback on settings and selections. Features low, medium, high and power boost settings, so you can choose the right fan speed for every cooking adventure, from gentle simmering to high-heat searing.

Power Boost Function
Assists high-heat cooking by activating maximum fan speed for five minutes to help quickly clear smoke and steam. This function turns on automatically if the hood's sensor detects high-heat cooking on multiple burners and can also be activated manually.

Auto Speed Setting
Takes the guesswork out of protecting cabinets from steam, grease, and moisture by automatically adjusting fan speed to ventilation needs depending on the heat being produced.

Available Finishes/Colours

 KVWB606DSS
Stainless Steel
