CITY OF CAMBRIDGE **GRADING APPROVAL** 01/27/2023

We certify that the proposed grades at the lot corners are correct, and that the lot grading of the subject lot is in general conformity to the approved subdivision grading plans and City of Cambridge standards.

Clear stone must be used when the building separation on side yards is 1.5m or less, and must be inspected by the City prior to the placement of stone. The depth of the clear stone shall not be less than 150mm and placed on the geotextile

LOT COVERAGE OK; LOT AREA OK; FRONT LANDSCAPING OK;

It is the builder's complete responsibility to ensure that all plans submitted for approval fully comply with the Architectural Guidelines and all applicable regulations and requirements including zoning provisions and any provisions in the subdivision agreement. The Control Architect is not responsible in any way for examining or approving site (lotting) plans or working drawings with respect to any zoning or building code or permit matter or that any house can be properly built or located on its lot.

This is to certify that these plans comply with the applicable Architectural Design Guidelines approved by the City of CAMBRIDGE.
