CABINETRY

1 -  The Purchaser acknowledges being advised by the Vendor that the current colour selections for the kitchen, specifically surrounding the refrigerator will not be aesthetically pleasing. The Purchaser has selected a Navy Blue refrigerator and gable, but the upper cabinets above the refrigerator will be white. This will result in a blue gable abutting the white cabinets in the area of the refrigerator. The Vendor has advised against this colour combination, but the Purchaser insisted and has made his final selections as noted on the colour chart. The Purchaser shall accept the refrigerator, cabinets and gable colours as noted on the colour chart and shall not make any claims, including claims to the Tarion Warranty Corporation, in respect of the colour selections of the refrigerator, upper cabinets and gabling. The Purchaser's selections are final.  10Nov22 Note:

## FEATURES & BENEFITS

Gourmet results without any guesswork - Take culinary skills to the next level with Gourmet Guided Cooking, which combines video-guided recipes from chefs with a system that automatically adjusts the time, temperature and cooking pace for perfect results

Enjoy total control in the kitchen and beyond - Control your oven with your smart device or simply your voice using WiFi Connect

An attractive appearance at all times - Every detail of your kitchen is designed to delight, thanks to a sleek backlit glass touch control panel that visually disappears when not in use and wakes up when prompted

The perfect combination of power & precision - Stun guests by showing off your 11" 3,700-watt induction element, which uses chef-preferred induction cooktop technology to deliver precise heat to cookware only. That means you can do everything from boiling a quart of water in 101 seconds to melting butter at exact temperatures with amazing efficiency

Precise control for flawless results - Delight guests with the precision of sous vide cooking or perfectly prepared fondues and delicate sauces using a precision cooking probe that is sold separately.

Ensure consistent temperatures across a large area - Evenly heat large griddles or enamel cookware across two 8" synchronized elements

Create a look that matches your personal style - Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste

Allow your appliances to interact with one another - Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights and vent when a range burner is in use, and even your microwave and range clocks

DIMENSIONS

**Receptacle Locations:** Locally approved flexible service cord or conduit must be used because terminals are not accessible after range installation. See shaded area in drawing for location of electrical outlet box. Recommended outlet locations allow range to be installed directly against rear wall.

**Note:** This appliance has been approved for 0" spacing to adjacent surfaces above the cooktop. However, a 6" minimum spacing to surfaces less than 15" above the cooktop and adjacent cabinet is recommended to reduce exposure to steam, grease splatter and heat.

**Installation Information:** Before installing, consult installation instructions for current dimensional data and additional requirements.

\*Depth including door handle is approximately 29 1/2".

Note A: 30" Minimum to bare cabinet, see installation instructions heights less than 30"

# 24" Custom Panel Dishwasher

300 Series – Custom Panel SHVM63W53N

**SHVM63W53N**  
Custom Panel

The 3rd rack provides the perfect space for silverware and large utensils while its V shape leaves room below for taller items.

### Features & Benefits

44 dBA: dishwasher runs quietly so your kitchen conversations aren't interrupted.

With PrecisionWash®, intelligent sensors and precision spray arms target every item of every load, so dishes come out sparkling clean every time.

The AquaStop® leak protection system contains leaks through a precisely engineered system. If a leak occurs, the system contains it by shutting down operation and pumping out water. So you have the ultimate peace of mind whether you are away or at home.

ALLASIO  
UNDER-CABINET

COMFORT SERIES

The slim Allasio with 4 3/4" height is ideal where under-cabinet space is limited, plus the contemporary styling and gleaming colors will compliment other appliances and most cabinetry. Allasio features a 3-speed, 300 CFM internal blower, which provides sufficient ventilating power for most kitchens. The attractive, electronic push button controls illuminate an elegant blue glow when activated and allows the user to manage blower speeds and dual halogen lamps.

Dishwasher-safe anodized aluminum mesh filters are easy to clean and a snap to remove and replace. Available in 30" or 36" widths, Allasio is designed for standard ducted installation, and can be installed as a recirculating system, using the Recirculating Kit.
