- This Sales Selection Sheet when properly executed forms part of our Agreement of Purchase and Sale.
- All extras and upgrades listed above are subject to Construction Progress and Architectural and Municipal requirements.
- In the event the Vendor is unable to incorporate the work approved above in the construction of the house for any reason whatsoever, the Vendor will not be liable to the Purchaser in any way. The monies paid for any changes or optional extras not proceeded with shall be returned to the Purchaser, without interest. The cost of options or extras is non-refundable in all other circumstances. If for any reason whatsoever the Agreement of Purchase and Sale is not completed, the total cost of work approved above will be retained by the Vendor.
- The Vendor reserves the right to substitute above materials and equipment with that of equal or better quality.
- Purchaser acknowledges that items may not be exactly as shown. Variations from the Vendor's samples may occur in finished materials due to normal production processes. Vendor is not responsible for shade difference which may occur from different dye lots or wood grains. Variations from the Vendor's samples will occur with natural materials such as wood, marble, granite, hardwood and brick.
- The Vendor reserves the right to select Grout & Thresholds that best suits the Tile selected.
- Selections will not be processed unless signed by Heathwood Homes Head Office.
- The selections made on this schedule are final and cannot be changed once submitted.
- The Purchaser has checked and acknowledges the accuracy of this schedule.

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and to be able to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

Dimensions

Total Capacity: 22.6 cu. ft.

Refrigerator: 13.0 cu. ft.

- Modern External Filtered Water and Ice Dispenser - Crushed or Cubed Ice

Installing Your Range

A: Cabinet opening 30"
IMPORTANT: If your cabinets are over 37" high, you must install this range on a hand, heat-resistant support that raises the surface of the range so that it is about even with the countertop.

*Side clearance above cooking surface to any objects, i.e., wall.
IMPORTANT: Consult with Installation Manual for detailed instructions before installing.
All ranges must be installed with the Anti-Tip device that is included.

Recommended Locations for Gas Piping and Electrical Outlets

Power Source
120V/60Hz/20A

Total Power (BTU)
62,500 BTU

Black Enamel 5-Burner Cooktop

- Right Front: 22K BTU Dual Ring, Brass
- Left Front: 16K BTU
- Right Rear: 5K BTU
- Left Rear: 9.5K BTU
- Center (Oval): 10K BTU

Oven

- Capacity: 6.0 cu. ft.
- Convection Element/Heater
- Convection Bake
- Convection Roast
- Bake
- Variable Broil: Low/High
- Air Fry
- Bread Proof
