Exterior Colour Scheme:
 Pre-selected By Vendor

NOTE: The Purchaser(s) agree(s) that:

a) Colours of materials are as close as possible to Vendor's selections, but not necessarily identical due to variances in manufacturing or manufacturers.

b) Purchaser(s) has checked and acknowledges accuracy of the above selections. Where omissions occur on the original colour selection sheet Purchaser(s) acknowledge that the Builder's selection will be final.

c) Upgrades or extras listed on this schedule will not be deemed part of the Agreement of Purchase and Sale. Any such upgrades or extras shall be null and void unless accompanied by a separate invoice and amendment. Said invoice must be paid in full.

d) The Purchaser(s) further agrees that in the event that the Vendor has preselected colours prior to the purchase of the house, the prescribed colours are final not withstanding that the Purchaser may have completed a colour selection schedule

d) The Purchaser(s) Acknowledges that once this colour schedule is signed and dated, no changes, additions or deletions will be permitted other than re-selection due to unavailability.

A \$350.00 (Per Occurance) change/administration fee will apply to above exceptions.

This Interior Colour Selection is final and approved by:

Highcastle Homes Décor Centre Disclaimers

Lot#: Block 56 Unit 2 Model: White Chestnut (T-2) Elev A1 in Northglen (H) - 2174372 Ontario Ltd.

PURCHASERS: DANIELLE PAULINA LEWIS and NEIL J BULPITT

TEL:

Through years of doing business, we at Highcastle Homes have encountered issues beyond our control. The following disclaimers apply to all instances of Purchaser's Extras forms and all Interior Colour Scheme forms.

Fireplaces

Fireplace Marble: Due to the many variables that can affect the pattern and/or design, frequently the marble installed on the fireplace will not be identical to the samples. We will make every attempt to come as close to the samples as possible, but cannot be responsible for results which differ from the samples.

Ceramic Floor Tile

Many variables including variegation can affect tile colour, pattern and/or design which mean installed tiles may not be identical to the samples. We will make every attempt to come as close as possible, but cannot be responsible for results which differ from the samples.

Hardwood Flooring

The purchaser is advised that cupping and shrinkage are characteristics of hardwood flooring normal appearing some time after installation, and no warranty is provided by the flooring supplier with respect to such cupping and shrinkage. The vendor agrees to install any hardwood flooring ordered by the purchaser in good and workmanlike manner, but shall not be responsible for, and is hereby released by the purchaser from responsibility and liability for cupping and shrinkage of hardwood flooring.

Shrinking and expanding/cupping of the hardwood floors may occur if the humidity levels in the home are not kept at industry recommendations. If the hardwood floors shrink or expand due to the homeowner not complying with these levels, the hardwood floor will no longer be under warranty and it will be the homeowner's responsibility to repair the flooring.

Stain Colours

Due to many variables that can affect the outcome of a stain colour on wood, staircases, railings, and fireplaces, will not be identical to samples. Factors such as density, age humidity, air temperature, and the uniqueness of each piece of wood can result in wide variations in darkness or lightness. We will make every attempt to come as close to the sample as possible, but cannot be responsible for results which differ from the samples.

Stain on pre-finished hardwood floors will not be an exact match to the stain colours available on stairs, pickets and rails. The purchaser is responsible for choosing the stain on these areas to their satisfaction.

Appliances

All fridge openings are set to builder's standard width. Please advise Décor Centre at time of colour appointment if custom sizing of cabinets is required for any built - in appliances. The purchaser is responsible for costs and fees associated with changes to pre-manufactured kitchens made subsequent to colour appointments.

Kitchen Cabinets

The kitchen you order/purchase will undoubtedly contain slight colour variations. The degree of these variations is virtually impossible to determine before the kitchen is installed in its intended location. The amount of and type of lighting will also affect various highlights in the finish. Note: No two pieces of wood are identical. Variations in colour tone and grain patterns make a perfect colour match virtually impossible. It is generally agreed that these variations add to the natural beauty of a wood kitchen.

Shrinking and expanding of the kitchen cabinets may occur if the humidity levels in the home are not kept at industry recommendations. If the cabinets shrink or expand due to the homeowner not complying with these levels, the cabinets will no longer be under warranty and it will be the homeowner's responsibility to repair the cabinets.

Plaster Mouldings and Medallions

Plaster mouldings will not be installed in open to above areas or areas with 2 storey elements.

Metal Spindles

Due to the characteristics of wrought iron railing production, it is possible for the wrought iron to develop a scale effect. This scale may or may not be totally covered during the painting process. In effect, once the wrought iron picket is painted, the paint may in effect amplify the iron scale depending on the colour chosen. This is a natural effect of wrought iron and should not be construed as a defect or damage.

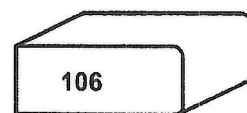

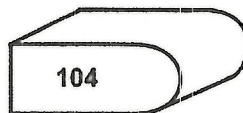

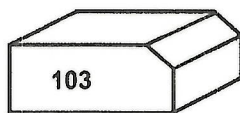

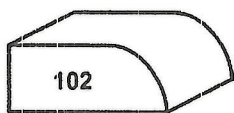

I hereby acknowledge reading and understanding the above copy and will not hold Highcastle Homes responsible for any issues in relation to above.

A lot of thought went into this LG refrigerator. On the outside, it's counter-depth profile, contoured doors and hidden hinges provide a uniform and stylish look to your kitchen. And inside, an integrated 4-compartment crisper, deli storage center and recessed LED lighting. You get all this, plus our Smart Cooling technology, designed to help keep your food fresh.

- Get more space for groceries in a great feature-packed refrigerator. Nothing beats the convenience of having more food when you need it, and with a generous 23 cu. ft. of space, you'll have room and room to grow.
- Enjoy a built-in look with the counter depth feature on this LG refrigerator. Thanks to its slightly shallower depth, it can stand flush with your counter top for a sleek look.
- Smart Cooling system is designed to maintain superior conditions within the refrigerator. The Linear Compressor reacts quickly to temperature fluctuations and helps keep your food fresher, longer. Meanwhile, strategically-placed vents in every section help to surround your food with cool air no matter where you put it.
- Consistent temperatures are the key to food freshness. LG took its advanced freshness system 1-step further by adding Door Cooling+ to provide a steady supply of cool air to help keep door contents at peak freshness.
- Multi-Air Flow System is designed to maintain superior humidity and temperature levels to help keep your food fresher, longer. Digital sensors constantly monitor conditions within the refrigerator and strategically-placed vents in every section to help surround your food with cool air no matter where you put it.
- 2 humidity-controlled crisper drawers, a full-width Glide-It-Serve drawer, and a bonus drawer for fruits and vegetables make daily preparations easy.
- Your food isn't the only thing that stays fresh. Only LG offers a 3-layer Fresh Air Filter with dedicated fan that pushes cleaner, fresher air into the fridge.
- The Smart Pull Handle makes opening and closing the freezer quick and easy. All it takes is a simple lift of the handle for effortless access to your freezer.
- SmartDiagnosis helps the service center diagnose problems over the phone, helping you troubleshoot quickly.
- This ENERGY STAR qualified LG refrigerator exceeds federal energy standards to positively impact your energy bill, your energy consumption, and most importantly, the environment.
- Now you can have all of the things you love about stainless, without the need for special cleaners or constant attention. Los PrintProof fingerprint and smudge resistant finish easily wipes clean with a soft, dry cloth for a distinctive kitchen that handles real-life in style.
- Using WiFi connectivity, troubleshoot issues 24/7 through the LG SmartDiagnosis app on your mobile device.
- LG counter-depth refrigerators align with countertops and cabinetry for a uniform profile, creating a sophisticated built-in look without the high-end price tag.
- Finished with a protective coating, the LG Stainless Steel Series is smudge and fingerprint resistant - a dry cloth is all it takes to bring back its original luster.

Overview

Model # LRE4211ST Store SKU # 1001030491

With the Largest electric oven in the industry, and the addition of LGs innovative EasyClean Technology, you can handle all of your family's cooking needs without worrying about cleaning up the mess. At 6.3 cu. ft. capacity, the oven is ideal for even your largest meals. Now with EasyClean, you can easily clean in inside of your oven in just 20 minutes. Whether your baking large batches of cookies or a roast for the holidays, this oven can fit it all. Grill all year long with the infrared grilling system from LG. LGs Infrared Grill has an infrared-heating element that gets your oven to reach broil temperature without the need to preheat, cutting over 20% off your total cooking time.

- At 6.3 cu. ft. of capacity, this range is the largest electric oven in the industry, to handle all of your family's cooking needs. Whether you're baking large batches of cookies or a roast for the holidays
- 5 elements with warming zone. The versatile elements fit different sized cookware for convenience- from small pans to large saut pans
- LG offers a its fastest boiling element at 3.2 kW on 2 dual cooktop burners for flexible cooking
- LG true convection delivers the ideal temperature and airflow needed for faster preheating and more precise cooking
- Hidden bake element conceals the lower oven bake element to eliminate hard-to-reach areas that collect food and spills for easy cleaning
- LG's infrared heating element gets your oven to broil temperature more quickly to cut over 20% off total cooking time. Infrared cooking which uses the same technology as premium outdoor grills also allows your food to be juicier than traditional thermal cooking
- IntuiTouch, with scrolling IntuiScroll display, makes operating your electric range a snap. The left side of the panel mirrors the cook top elements, while the right side controls the oven functions
- Control lock-out disabled the control panel to avoid unintended use of other changes to your cooking settings
- Easy Clean provides a quick and easy way to clean your oven
- Superized window allows you to easily check the progress of a meal no matter where it's placed in the oven
- Brilliant blue oven interior provides an upscale look with premium interior design
- 2 Standard oven racks and 1 roast rack. 7 Oven rack positions to ensure the best results every time

Overview

Model # LDF554SST Store SKU # 1001036127

Finally, a dishwasher that gets it done right, the first time. LG's new QuadWash system uses Multi-Motion arms that work together for maximum cleaning coverage, while EasyRack Plus provides a customizable racking experience. LG's convenient front control design makes it easier than ever to preview and select the settings you want. All this paired with the reassurance of LG's 10-year Direct Drive Motor warranty.

- QuadWash with multi-motion spray arms provides maximum coverage to get things clean the first time
- EasyRack Plus racking system can shift to handle any challenge your dishes can serve up
- 48dB low decibel operation among the quietest dishwashers in its class
- Customize your washer and dryer and troubleshoot even more efficiently with LG's NFC Tag-On technology
- LG's auto cycle senses the amount of grime on your dishes and sets the best wash cycle for optimal cleaning
- LG's dual zone automatically varies the intensity in the upper and lower racks, accommodating different items on the same load
- SmartDiagnosis helps troubleshoot a problem quickly and efficiently right over your phone
- Fit up to 15 place-settings of dishes
- Front control panel with LED display
- Half wash mode saves water and energy by enabling users to wash only items in either the lower or upper rack

- Safe and gentle, the hybrid condensing drying system gives you dry dishes right out of the dishwasher
- 3 stage filter system is tough on dirty dishes, while offering quiet, efficient operation
- Energy Star Rated among the most energy-efficient dishwashers in its class
