Double DishDrawer™ Tall

This model is designed for extra headroom in the top drawer. The increased drawer height fits 12" plates, making cleaning up after dinner parties a breeze. The DishDrawer* Tall dishwasher can also easily accommodate oversized platters and extra-long stemmed glasses.

DishDrawer™ Technology

Independent drawers

An independent drawer based dishwashing platform is part of what makes DishDrawer™ dishwasher unique. At bench height drawers glide open for easy access, visibility and better ergonomics. In Double DishDrawer™ dishwashers both drawers operate independently so different wash cycles can operate simultaneously to accommodate a variety of loads. Glasses, pots and pans can be washed in separate drawers at the same time.
