Venmar Jazz Fusion Chimney Range Hood – Stainless Steel

SEP 01 2016

\$519.97

Item Code: VJ603302S

Dimensions: Width: 30" Height: 23" Depth: 19"

Venmar re-designs style and defines the height of elegance with the Jazz Fusion Chimney Range Hood. European design and high performance couple together to not only meet - but exceed - the standards of modern-day appliances. Dishwasher-safe filters, three ventilation speeds and a brushed stainless steel finish complete the package.

Range Hood Key Features:

- European Design
- Brushed Stainless Steel Finish
- Dishwasher-Safe Filters
- Variable Blower Control

European Design

Why pair your sleek, stylish range with a blocky, bulky ventilation solution? The Jazz Fusion's timeless chimney-style design can be extended beyond nine feet for even the most cavernous of kitchens.

Brushed Stainless Steel Finish

Your range hood should match your appliances. Modern brushed stainless steel complements your kitchen, remaining stylish even as your tastes change.

Dishwasher-Safe Filters

Your range hood is only effective as long as its micromesh filters remain unobstructed. When it's time to clean them up, just throw them in the dishwasher- no mess, no fuss.

Variable Blower Control

While Venmar's High Speed setting is a veritable champion at clearing your kitchen of odors and steam, you

won't always need it. Choose the right power for the right job with variable controls.
