Subject: RE: lot 38

LOT 38 - once, this decision is finalized please update p.o's to reflect final request to ensure there is no errors.

LOT 35 -- to my understanding, Senator has confirmed we are concealing the pipes with the fascia as per the image below:

If so, please update the Portal it include this image/noting that we are to conceal pipes. To ensure this information is communicated throughout.

Thank you,

Sepideh Boroujerdi
