

2,225 SQ. FT. ELEV. B
2,195 SQ. FT. ELEV. C

Materials, specifications, and floor plans are subject to change without notice. All house renderings are artist's conceptions. All floor plans are approximate dimensions. Actual usable floor space may vary from the stated floor area. Square footage includes areas open to below. Double transoms shown on elevation are lot specific and may not apply to all lots and models, and only apply to sunken lower conditions. E
