FRIDGE SPEC'S

27 cu. ft. 3-Door French Door Refrigerator with External Water & Ice Dispenser

No Waterline has been purchased

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 3.75" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 2" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and to be able to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

Dimensions

Total Capacity: 27 cu. ft.

Refrigerator: 18.4 cu. ft.

- External Filtered Water and Ice Dispenser

GAS RANGE SPEC'S

Installing Your Range

IMPORTANT: If your cabinets are over 37" high, you must install this range on a hard, heat-resistant support that raises the surface of the range so that it is about even with the countertop.

IMPORTANT: Consult with Installation Manual for detailed instructions before installing. All ranges must be installed with the Anti-Tip device that is included.
