DETAILS

FEATURES

- PADERNO 1.3 cu.ft Microwave with Even-Heat Inverter features a stylish and modern design that will complement any kitchen while not sacrificing functionality
- Even-heat inverter technology ensures food is cooked consistently, preventing cold spots and drying out
- Built with various auto/preset modes: popcorn, melt, soft, stew, keep warm, sensor reheat, frozen pizza, fresh vegetable, potato and meat
- Sensor cooking stops the cooking cycle when your food is hot so you do not over cook it
- 10 power levels for optimal cooking
- Preset defrost settings and the option to defrost by time/weight for added convenience
- LED lighting and LCD display provide added visibility
- Integrated child safety lock for increased protection
- Easy-to-clean interior and exterior
- Black stainless steel housing for durability and style
- Capacity: 1.3 cu. ft.
- Power: 1200W
- Dimensions: 21.4" W x 16.6" D x 12.4" H (51.9 x 42.3 x 31.5 cm)
