During the COVID-19 Pandemic, the Town of Innisfil is making every attempt to continue providing services where it is safe and appropriate to do so. Please see comments below specific to your permit - please note that these are subject to change as the situation evolves. If you have questions, please reach out to the Building Department directly.

ANY CONSTRUCTION THAT OCCURS IN CONTRADICTION WITH THE PROVINCIAL EMERGENCY ORDER MAY BE ORDERED TO BE REMOVED/UNCOVERED AT THE EXPENSE OF THE OWNER. PLEASE REACH OUT TO THE BUILDING DEPARTMENT ONCE THE PROVINCIAL ORDER HAS BEEN LIFTED TO REMOVE THIS CONDITION AND DISCUSS NEXT STEPS.

ALL CONSTRUCTION COMPANIES AND PERSONNEL SHALL ABIDE BY ALL EMERGENCY PROVINCIAL ORDERS APPLICABLE AT THE TIME.

Where construction is subject to a subdivision agreement all the requirements in the agreement shall be complied with.

Prior to requesting an occupancy or final inspection, the owner shall submit a Certificate of Completion from the Electrical Safety Authority

Construction shall also comply with notes made in red on permit documents.

Grades on the subject property are not to be altered in such a way that the existing natural drainage paths

and adjacent properties will be adversely affected.

Dependent on site conditions, the downspouts from the roof may be required to be redirected at Notice of Completion inspection.

All construction subject to field review by inspector.

A lot grading certificate is required from the consultant prior to the permit being closed and the release of any deposits.

Provide confirmed of Top of Foundation Wall (proposed and actual) report prior to commencing framing construction.

Confirmation of 'actual' as-built underside of footing elevation to be provided prior to commencing foundation wall construction. Include footing, underside of basement slab and weeper are installed in accordance with Town standards TOISD 609.

Permit holder shall provide a hardcopy of the reviewed drawings to the inspector on site.

This permit is issued pursuant to the Building Code Act, 1992, S.O. 1992, c. 23, and the Building Code. This permit does not serve any other purpose and, specifically, does not constitute authorization to proceed under any Order or Regulation made by the Province of Ontario pursuant to the Emergency Management and Civil Protection Act, R.S.O. 1990, c. E.9, the Reopening Ontario Act, 2020, S.O. 2020, c. 17, or any exemptions thereto. Please seek independent legal advice with respect to whether the aforementioned Acts or any Orders or Regulations issued thereunder apply to any works undertaken pursuant to this permit.

Lot grading security may be released upon issuance of a Notice of Completion. In the event lot grading is not completed to the satisfaction of the Town, the Town may utilize the lot grading security to complete the works and the balance of the security, if any, will be returned.
