GENERAL CONDITIONS

1. DEFINITIONS

1.01 In this Contract, unless there is something in the context inconsistent therewith, the following terms shall have the following meanings:

- (a) "General Conditions" means these terms and conditions which apply to this Construction Contract;
- (b) "Contract" means the contract resulting from the acceptance of this Contract and the General Conditions and any plans, drawings, specifications or addenda that are annexed hereto or issued by the Builder to the Subcontractor;
- (c) "Work" means all the labour, material and services offered to be provided by the Subcontractor to the Builder in order to perform the Project on the terms and conditions described in this Construction Contract;
- (d) "Site" means the general location and conditions where the work is to be performed by the Subcontractor;
- (e) "Project" means the project described in this Construction Contract.

2. PAYMENT

- 2.01 Payment (less 10% holdback) will be made by the Builder to the Subcontractor, approximately forty-five to sixty (45-60) days after the receipt of an invoice covering the value of the work completed and invoiced by the Subcontractor. Invoices received by the 15th of each month will be paid the end of the following month. The ten percent (10%) holdback will be paid after the lien rights have expired, all as per Paragraph 3. Release of holdback also requires updated WSIB clearance certificate, certificate of insurance, statutory of declaration and an updated statement of account.
- 2.02 For the purposes of the Construction Lien Act, each individual unit (Lot or Building) on or in which the Subcontractor performs the work described in this contract shall be considered as comprising a separate contract.
- 2.03 All invoices shall be accompanied by a Completion Certificate signed by the job superintendent of the Subcontractor certifying that the portion of work covered by the Completion Certificate has been inspected by him and is completed in every respect before approval by our superintendent.
- 2.04 All invoices improperly submitted (without proper backup such as a purchase order or completion certificate (original copies only) signed by the superintendent on site confirming that all work is complete, will not be processed and returned to your office. Please do not leave it up to the site super to hand in any back-up information to the office, it must be received attached to your invoice at the time it is sent in. Extras for labour or material will not be accepted unless a Purchase Order has been written showing the agreed cost of the extra before the extra work or material is to be supplied.
- 2.05 ALL EXTRAS to the contract must be invoiced separately and not on the same invoice as the Contract Agreement work. (Each invoice with proper back-up approved by the supervisor on site.
- 2.07 Purchasers Extras Sheets issued to the Subcontractor will be the authorization to proceed with such works as detailed thereon.

3. CONSTRUCTION LIEN ACT (ONTARIO) HOLDBACK

- 3.01 The Builder shall retain a holdback out of each payment due to the Subcontractor hereunder in accordance with the provisions of the Act of 10% of such payment, plus any amount in respect of which the Builder has received a written notice of lien, (as that term is described in the Act). In addition where the Contract has been certified or declared to be substantially performed but labour, materials or services remain to be supplied to complete the Contract, the Builder shall retain, from the date of such certification or declaration, a separate holdback equal to 10% of the price of remaining labour, materials or services if they are actually supplied under the Contract, until all liens that may be claimed against such holdback have expired, or been satisfied or discharged or provided for, all as provided in the Act.
- 3.02 Any lien or liens or claim or claims for lien pursuant to the Act shall be deemed to arise and expire solely on a lot by lot basis and under no circumstances may a claim for a general lien be asserted.
- 4. WARRANTY
 - 4.01 The Subcontractor warrants that the Work shall be completed in a good and workmanlike manner free of any defects in material or workmanship, and shall comply in all respects with federal, provincial, municipal and local building codes, The Ontario New Home Warranty Program, the minimum specifications of the C.M.H.C. and all plans, drawings and specifications provided by the Builder.
 - 4.02 The Subcontractor agrees that during a period of two years following the receipt by the Builder of the final invoice for Work, any failure to perform or rectify a deficiency or defect in the performance of any obligation of the Subcontractor hereunder shall be remedied by the Subcontractor at its sole expense and to the satisfaction of the Builder, provided that the Builder may, upon five days' written notice, and immediately in the case of an emergency, and without prejudice to any other rights, remedy such deficiency or defect or complete such failure to perform and may deduct the cost thereof from payments due to the Subcontractor. In exercising its rights under this paragraph 4.02 the Builder may take possession of any materials, tools or construction equipment owned or leased by the Subcontractor on the Site and use such materials, tools, or construction equipment. The costs of such completion or remedy may be subtracted from any payment required to be made by the Builder to the Subcontractor. If the costs of such completion or remedy exceed any amount owing to the Subcontractor hereunder, the Subcontractor shall forthwith pay, on demand, to the Builder an amount equal to the costs of such completion or remedy.
- 5. SCHEDULE AND SUPERVISION
 - 5.01 The Subcontractor shall provide a competent person (the "Representative") to supervise and co-ordinate the Work at all times; provided that the Representative and the Work shall at all times be subject to the control and direction of the Builder. Any instruction or directions given by the Builder to the Representative, shall be deemed to be given to the Subcontractor for the purpose of this Contract.
 - 5.02 The Subcontractor agrees to complete each and every portion of the Work on or before the time or times specified by the Builder from time to time. If the Subcontractor fails to complete any such portion before the date specified by the Builder, the balance of the Work to be performed under the Contract may be cancelled at the option of the Builder. In any event, the Subcontractor shall be liable to the Builder for any loss, damage or claim suffered by the Builder, which results from the Subcontractor's failing to complete any portion of the Work on a timely basis or which results from the Builder having cancelled the balance of the Work under this paragraph.
 - 5.03 The Subcontractor covenants and agrees to use such materials as may be specified by the Builder from time to time for the performance of the Project and its obligations hereunder.

6. PRIOR WORK

6.01 Prior to commencement of the Work, the Subcontractor shall ensure that all prior work has been properly completed in a manner which will permit the Subcontractor to complete the Work in accordance with the provisions hereof and the Subcontractor shall immediately give notice in writing to the Builder of any error or omission or deficiency or information which would prevent or hinder the Subcontractor from performing its obligations hereunder. By commencing the Work, the Subcontractor shall be deemed to have accepted all prior work and the Subcontractor shall be responsible for any defects in the Work, whether resulting from any prior work or otherwise.

6.02 The Subcontractor shall not cut, dig, box or sleeve any structural member so as to endanger any existing work or alter any work performed by any other contractor or subcontractor except with the Builders written consent.

7. CHANGES AND EXTRAS

7.01 If the Subcontractor or Builder desires to change the Work in any respect whatsoever, and in the case of the Builder it so notifies the Subcontractor initially orally and later in writing, which later notification in writing shall not delay implementation of the change in the Work, the Subcontractor shall obtain from the Builder a Notice of Change prior to proceeding with any such change. The Builder shall not be liable for the cost of any such change if the Subcontractor has failed to obtain such a signed Notice of Change from the Builder.

7.02 Prior to commencing work on any portion of the Work the Subcontractor shall review the plans, drawings and specifications in respect of such portion to determine whether any change in the work or in any work done or to be done by any other contractor or subcontractor is necessary to be done in order for the Site Subcontractor to perform its obligation hereunder. If the Subcontractor determines that any such change should be done it shall only be done if the Site Superintendent approves it in writing. If any change reasonably could have been seen as necessary by the Subcontractor and was not requested by the Subcontractor prior to commencing work on any portion of the Work, the Subcontractor shall be liable at its own expense to make any such change which is subsequently required in respect of that portion of the Work

7.03 The value of any change in the Work performed by the Subcontractor in accordance with such a signed Notice of Change from the Builder pursuant to paragraph 7.01 hereof shall be determined by one or more of the following methods or combination of such methods as determined by the Builder:

- (a) by estimate by the Subcontractor and acceptance by the Builder in writing of a lump sum;
- (b) by unit prices set out in the Contract or subsequently agreed upon; or
- (c) by cost plus a fixed or percentage fee.

8. COMPLIANCE WITH LAW

8.01 The Subcontractor shall fully comply with all applicable federal, provincial and municipal law, codes, regulations and standards whether now in effect or hereinafter imposed and shall pay all levies or amounts and obtain all permits required in connection with unemployment insurance, vacation pay, welfare, workers' compensation and any other employee benefits required to be paid, remitted or retained or obtained in respect of any employee of the Subcontractor in respect of its performance of the Work.

9. TAXES

9.01 The contract price does not include H.S.T. The amount of any H.S.T. and/or other Government Taxes shall be completed as a separate item on all invoices submitted by the Contractor to the Builder. The Contractor shall remit all Government Taxes (including H.S.T.) paid by the Builder to the appropriate Tax Agency (including Revenue Canada) in accordance with applicable legislation.

10. INSURANCE

10.01 Without restricting the generality of paragraph 11.02, the Subcontractor shall provide, maintain and pay, either by way of a separate policy or by an endorsement to its existing policy:

- (a) comprehensive general liability insurance in the Joint names of the Subcontractor and the Builder with limits of not less than five million dollars (\$5,000,000) per individual occurrence for bodily injury, death and damage to property, including loss of use thereof arising from or in any way relating to the Work;
- (b) automobile liability insurance in respect of licensed vehicles used in connection with the Work with limits of not less than five million dollars (\$5,000,000) per individual occurrence for bodily injury, death and damage to property; and
- (c) all risks builders property insurance in the joint names of the Subcontractor and the Builder, insuring the full value of the Work.

10.02 The duration of each insurance policy referred to in paragraph 10.01 shall be from the date of commencement of the Work until the Expiry of Term pursuant to paragraph 22 hereof or until twelve months after the date of receipt by the Builder of the final invoice for the Work, whichever shall last occur.

10.03 The Subcontractor shall provide the Builder with evidence of all insurance referred to in paragraph 10.01 prior to the commencement of the Work which is satisfactory to the Builder.

10.04 All insurance policies shall contain an endorsement to provide all named insured's prior notice of changes and cancellations. Such endorsement shall be in the following form: "It is understood and agreed that the coverage provided by this policy limited to this Contract will not be changed or amended in any way nor cancelled until 30 days after written notice of such change or cancellation shall have been given to all names insureds."

10.05 If the Subcontractor fails to provide or maintain insurance as required herein, then the Builder will have the right to provide and maintain such insurance at the expense of the Subcontractor and the costs and expenses incurred in connection therewith may be deducted from any payment required to be made by the Builder to the Subcontractor hereunder. Any such costs or expenses that exceed any amount owing to the Subcontractor hereunder, shall forthwith be paid by the Subcontractor, on demand, to the Builder.

20 8

11. DAMAGE TO SITE

11.01 The Subcontractor shall be liable for any loss, claim or damage caused at the Site or any adjacent property by its employees, agents and/or suppliers including, without limitation, damage caused to pegs and markers, trees, curbs or roads, equipment, sod, sewers, power lines, pipes, buildings and all structures and things. In the event of any such damage, the Builder may make such repairs as it deems necessary and may deduct the cost of such repairs from any amount owing to the Subcontractor hereunder. If the cost of such repairs exceeds any amount owing to the Subcontractor hereunder the Subcontractor shall, on demand, pay to the Builder an amount equal to the difference by which such cost of repairs exceeds any amount owing hereunder.

11.02 If the Subcontractor causes any loss or damage to any other contractor or subcontractor, the Subcontractor agrees to indemnify and save harmless the Builder from any loss or damage of any nature whatsoever occasioned by any claim by such contractor or subcontractor in respect thereof and the Builder may require the Subcontractor to defend any suit or action by such contractor or subcontractor against the Builder at the Subcontractor's expense.

11.03 The Builder shall not be liable for loss or damage to the work in the Agreement, until after the final acceptance of the work by all authorities having jurisdiction over it and signed Completion Certificate and the Builder shall not be liable for loss or damage to materials, tools, etc., of the Subcontractor used in its construction, caused by water, wind, acts of God, theft or other causes.

12. ACCESS TO SITE

12.01 Pursuant to arrangements made with the Builder, the Subcontractor shall be responsible for the access of its trucks or other vehicles to the Site and for the stockpiling of its materials.

13. TESTS AND INSPECTION

13.01 The Builder shall be entitled at any time and from time to time to conduct such tests and inspections as may be necessary to ensure compliance with the terms hereof and all applicable federal, provincial and municipal law, codes, regulations and standards. If any such test or inspection discloses any failure to comply, the Subcontractor shall be liable for all costs of such testing or inspection and shall, at its own expense, perform such work and supply such materials as is required to effect compliance. The Builder may hold back such amounts payable to the Subcontractor which, in the opinion of the Builder, are sufficient to ensure the performance of the obligations of the Subcontractor under this paragraph 13.01.

14. CLEAN UP

14.01 The Subcontractor shall, at its own expense, keep the Site free of accumulation of waste material and debris and shall remove the same on a daily basis to a location designated by the Builder and upon completion of the Work. In the event of any failure

14.02 by the Subcontractor to perform its obligations under this paragraph 14.01 the Builder may cause such waste material and debris to be removed from the Site and the Subcontractor shall be liable for the costs of such removal which may be subtracted by the Builder from any amount owing to the Subcontractor hereunder and if such costs exceed any amount owing then they shall forthwith be paid by the Subcontractor, on demand, to the Builder.

15. DEFAULT

15.01 In the event of any failure to perform or deficiency or defect in the performance of any obligation of the Subcontractor hereunder, or if there shall occur at any time an act or event of bankruptcy or insolvency (as defined or provided for in any applicable statute) of the Subcontractor, or if any proceedings, either voluntary or involuntary, are commenced by or against the Subcontractor under any law relating to the bankruptcy, insolvency, liquidations, dissolution or winding-up of the Subcontractor, or if any receiver, receiver and manager, trustee, custodian, liquidator, agent or similar official is appointed, judicially or by instrument, for or in respect of the Subcontractor or any of the property or assets of the Subcontractor, become subject to any execution, sequestration or any other process of any court or to distress or any similar process then the Builder, at its sole option, and in addition to and without prejudice to any other right or remedy it may have, may do any or all of the following, namely:

- (a) cancel the balance of the Work to be done under this Contract and complete the Works;
- (b) remedy any failure to perform or deficiency or defect in the performance of any obligation of the Subcontractor hereunder, all in such manner as the Builder may deem necessary;
- (c) for the purpose of any such completion or remedy, take possession of the Subcontractor's materials, tools and equipment on the Site. The Subcontractor shall be liable for the costs of any such completion or remedy and for any claim made against the Builder or any other damage suffered by the Builder as a result of any default by the Subcontractor. The Builder may deduct such costs or damages or claim for damages from any amount owing to the Subcontractor hereunder all without the requirement of any written or other notice to the Subcontractor. If the costs of any such completion or other remedy exceed any amount owing hereunder to the Subcontractor, the Subcontractor shall forthwith on demand pay to the Builder an amount equal to the difference between the costs of such completion or remedy and any amount due hereunder no failure of the Builder to, or forbearance of the Builder in, exercising any right or remedy in respect of any default shall constitute a waiver thereof or otherwise bar the subsequent exercise of such right or remedy.

16. SUB-SUBCONTRACTS

- 16.01 The Subcontractor agrees that it will incorporate all the terms and conditions of this Contract into all sub-subcontracts or agreements it enters into with its sub-subcontractors.
- 16.02 The Subcontractor agrees that it shall be fully liable to the Builder for any act or omission of the sub-subcontractor or of any person or persons directly or indirectly employed or contracted with by it.
- 16.03 Nothing contained herein or any sub-subcontract shall create any contractual relationship between any sub-subcontractor and the Builder.

20 8

17. NON WAIVER

17:01 No waiver by either the Builder or the Subcontractor of any term or provision of this Contract or any breach or default by the other party under this Contract shall be binding unless in writing. Any such waiver shall not be deemed a continuing waiver and the failure of such party to enforce, at any time, for any period of time, any term or provision hereof shall not be construed as a waiver of such term or provision or of the right of such party to enforce such provision thereafter.

18. PAYMENTS TO SUB-SUBCONTRACTORS

18:01 Subject to any holdback requirements, the Builder shall be entitled to pay any outstanding past due obligation of the Subcontractor to any sub-subcontractor by cheque or cheques made payable to the Subcontractor and the sub-subcontractor or employee owed such obligation and any such payment shall apply as a payment to the Subcontractor.

19. FORCE MAJEURE

19:01 If performance by the Subcontractor of its obligations hereunder is prevented or delayed due to any cause or contingency beyond its reasonable control the Builder may cancel the balance of the Work to be performed under the Contract and may withhold from any payment due to the Subcontractor hereunder such moneys as the Builder may determine are sufficient and reasonable to cover the cost of performing such remaining Work and to adequately protect the Builder from claims.

20. WORKERS' COMPENSATION

20:01 If the Subcontractor employs any person or persons for the purpose of performing its obligations hereunder it shall produce and file with the Builder a "letter of good standing" (as that term is defined in the Workers' Compensation Act [Ontario]) from the Workers' Compensation Board and the Builder need not make payments owing to the Subcontractor under the Contract until such letter is filed or, if it is filed but then expires, until a replacement "letter of good standing" is filed. If such letter is not filed, the Builder may fulfil the Subcontractor's obligation under the Workers' Compensation Act (Ontario) at the Subcontractor's expense.

21. NOTICE

21:01 All notices and other communications required or permitted to be given hereunder shall be in writing; if mailed by pre-paid first class mail they shall be deemed to have been received three business days after the post marked date thereof and if a mailing hereunder is interrupted by a postal strike, three business days after the strike is over; if telegraphed or telexed they shall be deemed to have been received three business hours following dispatch thereof or they may be delivered by hand to an adult person during normal business hours at a business address of the Subcontractor. Notice of change of address for notice shall be governed by this paragraph 21.01.

22. MISCELLANEOUS

22:01 This Contract shall be binding upon and enure to the benefit of the Builder, its successors and assigns and the Subcontractor and its successors and permitted assigns, provided that this Contract may not be assigned in whole or in part by the Subcontractor without the prior written consent of the Builder.

22:02 This Contract shall be deemed to have been made in and shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein and the Builder and the Subcontractor agree that the courts of Ontario shall have non-exclusive jurisdiction to entertain any action in respect of this Contract.

22:03 Time shall be of the essence of this Contract.

22:04 Unless the context otherwise requires, the singular shall include the plural and the plural the singular and the masculine shall include the feminine.

22:05 No party to this agreement shall be liable for any representation or warranty that may have been made or given by any party hereto or any agent or representative thereof, whether intentional, negligent or otherwise, in respect of this contract or the subject matter of this Contract, other than those representations and warranties which have been expressed in writing in this Contract.

22:06 The Builder reserves the right to interpret plans and specifications as to their true intent and meaning, and the Builder's decision on all matters in this respect shall be deemed final and binding.

22:07 The Subcontractor acknowledges and agrees that the covenants and obligations of the Owner contained in this Agreement shall be those of the Owner only and should the Owner represent or act as trustee or agent on behalf of a beneficiary or principal (whether disclosed or undisclosed) in executing this Agreement, such beneficiary or principal shall have no liability under this Agreement, such liability being restricted to the Owner only.

23. SAFETY

23:01 The Subcontractor is responsible to ensure that his company is in full compliance with all rules and regulations according to the Occupational Health and Safety Act and regulations for construction projects.

20 8

NOTICE TO ALL TRADES

Subcontractor has only 120 days following completion of work to invoice Contract Work and Extra to Contract. No invoices will be accepted after the 120 Days, and no payment will be made.

1. This Subcontractor recognizes the Contractor / Builder is constructing in accordance with "PACKAGE J" of the ONTARIO BUILDING CODE on this site and as part of the requirement of PACKAGE J is for each house to have Air Tightness. Any holes made in the building envelope or in the air / vapour barrier will be repaired to an airtight assembly, with approved materials by the tradesperson who made the hole.
2. Subcontractor must provide up to date documentations: FORM 100 / WHIMIS (Workplace Hazardous Materials Information System) FALL PROTECTION / ONTARIO COLLEGE OF TRADES LICENCE on site.
3. **BEFORE STARTING WORK ON ANY UNITS**, each trade is responsible for checking any extras that are above the scope of the contract. If this is not followed, trades will be back-charges if any extra costs are incurred to Bellaire Properties Inc, or other trades. Your head office should have these changes. **There will be no exceptions.**
4. This project will have **QUALITY CONTROL**, enforced in accordance with Tarion Warranty Program, so we suggest that once work is completed in a home, you have your foreman spend sufficient time to check that all work has been done properly and in a good workmanlike manner. At the same time we will reserve the right to have others complete any unsatisfactory work and back-charge you accordingly.
5. **ALL DEFICIENCY MEMOS** on the board must be cleared, signed and returned to the trailer within seven (7) working days or completion slips will not be issued. Again we will reserve the right to have these deficiencies complete by others and back-charge you accordingly including administration costs, this will be done without any further notice.
6. **COMPLETION SLIPS** will be written up weekly (Saturdays and Sundays) all completed job memos request must be taken to the site to the proper supervisor for approval and job memos will be picked up weekly. Faxed copies will not be acceptable. **Note: office policy that invoices will not be processed for payment unless they are received with original signed copy of the Purchase Order or original copy of completion slip. They will be returned without notice, and with 20% administration fee.**
7. **REQUESTS FOR COMPLETION SLIPS** must be made in writing on the trades' company letterhead showing the number of lots that have been completed. Please ensure that all work has in fact been completed before submitting requests for completions, if it is found that work is not complete then the slips will not be made until the following week, assuming that ALL work is complete by then.
8. **INVOICING** – all invoices must be received in our office on the 15th of the month in order to get paid at the end of the following month. Invoices must have proper back-up / completion slip or purchase order (original copies ONLY) they must be signed by the site supervisor, failure to follow these steps will cause invoices to be returned. Contract amounts and extras to the contract are to be invoiced separate and invoices must indicate the proper site.
9. **GARBAGE REMOVAL:** Our supervisor will direct you to the garbage area. **Each trade must clean their own garbage once house is completed. Either put in the garbage box or in one pile, see site foreman if not done. There will be a charge or 1.25 per house without notification.**
10. **MEETINGS** will be held once a month at 6:30 a.m. at the construction trailer, the foreman from each trade must attend. **It is imperative that all trades attend.**

21

NOTICE TO ALL TRADES

11. The foreman for each trade will be held responsible to see that their workers are wearing the **PROPER ATTIRE ON THE JOBSITE**, in accordance with the Ontario Safety Association and the Workers Compensation Board. Any worker who is not wearing the proper safety attire will be removed from the job site at once, and any fines from the WSIB will be the responsibility of the trade for whom they work. If we are issued a Stop Work Order by the inspector due to poor workmanship **ALL** costs for loss of time and other will be back-charged accordingly.
12. All Trades are responsible to ensure that work is carried out as per "PACKAGE J" SPECIFICATIONS. Any inspections or test that does not pass and Trades at fault will be back-charged \$650.00 and will be notified accordingly.
13. Any items outstanding on the Service Memos from our Service Department, payment will not be released until it has been rectified.
14. **Any trades that start working on a house and notice any issues that have been done by previous trade, DO NOT START, report to supervisor, if you do continue you will be back-charged for any cost that occur.**
15. Each trade that receives construction site memos, if not completed by set date there will be a back-charge that is non reversible.

GENERAL COMMENTS FOR ALL TRADES:

- The Contractor agrees that any damages to the air vapour barrier caused during installation will be restored to an air-tight assemblage with products approved for this purpose. (Low expansion foam, Acoustical Sealant, Sheathing Tape, etc.).
- The header wrap is not to be cut or damaged in any way except as required to install services. Any cuts to Header Wrap shall be made perpendicular to the installation with a sharp utility knife.
- Subcontractor will only cut holes with tools designed to cut holes. Holes are to be no larger than 1/2" diameter than the penetration item for holes leading to unconditional spaces.
- The use of chainsaws is prohibited on this site.
- All trades are required to attend (IF REQUIRED) training session.
- The latest revisions to Tarion Warranty Program Plan Act, Ontario Building Code (O.B.C), National Building Code (N.B.C), and any other municipal revisions will be in effect of this project.

Package A1

Dear Sir,

Re: INNISFIL PH. 4' - Singles, Innisfil, ON

We are pleased to tender on the above noted project. Our prices are based on the architectural drawings supplied to us. The Scope of Work outlined below supersedes any drawing notations or interpretations. Any changes to this Scope of Work shall be priced accordingly.

SCOPE OF WORK:

All work outlined below is to be carried out in compliance with the Occupational Health and Safety Act. Upon request, a copy of our company Safety Policy and any Material Safety Data Sheets (MSDS) shall be provided prior to the start of on-site work.

1. Supply and install INSULATION as follows:

- A) R20 BLANKET to exterior basement concrete walls down to within 8" above the slab, does not include the Caulking at slab.
 - * NOTE: Rigid insulation/Spray Foam insulation to Basement exterior walls will be EXTRA.
 - B) R22 BATTs to exterior 2" x 6" walls at ground floors, main floors and second floors
 - C) R60 BLOWN to accessible truss-ceilings
 - D) R31 BATTs to ceilings with low roof-space (i.e. where joists form the roof).
 - E) SUPER-6 MIL polyethylene vapour barrier over all thermal-purpose insulation within habitable areas.
 - F) **R31 SPRAYED FOAM (1/2 LBS) to overhangs and garage ceilings with habitable rooms above**
 - G) LOW EXPANSION FOAM around exterior doors and windows.
 - H) CAULKING to interior side of exterior wall sill plates.
- * NOTE: Exterior wood framed GARAGE WALLS situated less than 4'0" (1.2 metres) from an adjacent property line shall receive R14 BATTs.

2. Supply and install GYPSUM DRYWALL as follows:

- A) 1/2" CEILING BOARD to insulated ceilings over finished habitable areas on all floors
- B) 1/2" PLAIN to non-insulated ceilings over finished habitable areas on all floors
- C) 1/2" PLAIN to interior and exterior partitions on all floors. (finished areas only)
* NOTE: Exterior wood-framed HOUSE WALLS situated less than 4'0" (1.2 metres) from an adjacent property line shall receive 5/8" FIRECODE instead of 1/2" PLAIN.
- D) 1/2" CEMENT BOARD to shower stalls and bathtub enclosures.
- E) 1/2" PLAIN to ONLY those wood-framed garage areas requiring gas-proofing, all remaining walls and ceilings not required to be boarded / taped as per the Ontario Building Code
* NOTE: The wood-framed GARAGE WALLS situated less than 4'0" (1.2 metres) from an adjacent property line shall receive 5/8" FIRECODE.
- F) NOTE: Our prices do not include drywall work to any basements unless otherwise noted.

3. Supply and install straight-edge metal corner beads to all external corners and sliding-closet-door openings.
3b. All archways are to be wood-trimmed. The bulk of upper-floor closets are to have swinging doors with wood casing

4. Supply and install all necessary fastening, taping, and finishing materials. Metal ceiling clips will be applied where interior walls meet truss ceilings so as to minimize the effects of truss-uplift

5. Tape, fill, and sand all drywall installed on walls and partitions so as to leave it smooth and ready for decoration by others.

5b. Drywall within garage areas to receive only a tape-coat and a single cover-coat as required for gas-proofing.

6. Mechanically spray a medium-texture finish to all drywall ceilings EXCEPT within the kitchen, bathrooms and laundry room, which will have smooth ceiling finish. NOTE: A coat of prime paint to ceilings is to be applied by others prior to the application of our texture finish.

7. Remove all insulation and drywall scraps within house.

7b. All cardboard and plastic to be put in garbage box of site, NO back charge to be applied to MAPLE DRYWALL for this work.

CLARIFICATIONS:

1. Manpower will be allocated to each house as soon as it is COMPLETELY ready. The BUILDER acknowledges the fact that MAPLE DRYWALL will not start the house unless the following criteria are met: a) main and basement staircases are all installed and framed, b) fireplace and all tubs are installed and framed. c) heat in house for men.
2. The BUILDER will be responsible for using dry, straight, top-grade wood for framing of all walls and partitions. MAPLE DRYWALL will not be held liable for any imperfections or future damage as the result of twisted or bowed wood studs.
3. The BUILDER will be responsible for protecting bathtubs and shower-pans by using plywood or a factory-applied cover. MAPLE DRYWALL will not be liable for damages to tubs or showers.
4. The BUILDER will be responsible for loaning any required wood studs, planks, or plywood so as to allow MAPLE DRYWALL to construct any temporary work-platforms properly and in compliance with current safety regulations
5. Our base prices assume that 'TYVEK' will be installed by the framing carpenter as the means of maintaining a continuous air barrier (as per O.B.C. requirements). Caulking to top or bottom wood plates will be applied in limited quantity only to those areas where the 'TYVEK' might be torn or missing. Any caulking to garage drywall is to be done by others.
6. Insulation to the following areas must be done in conjunction with the framing of the house: behind bathtubs, behind fireplaces, behind drain pipes, and behind vertical heat ducts. As is customary, this insulation work and poly along with necessary drywall work are to be done by the carpenters.
7. With exception of sunken rooms and vaulted, sloped, or cathedral ceilings, our base prices allow for the following maximum finished floor-to-ceiling heights: BASEMENT 8'0", GROUND/MAIN FLOOR 9'0", SECOND FLOOR 8'0".
8. Our base prices allow for a maximum of 5 ceiling potlights per unit.
9. Basement drywall will be extra unless otherwise noted.
10. Insulation and drywall to any skylights will be extra.
11. The additional insulation required to accommodate those basements which have exterior low grades (i.e.. Walk-out and look-out) will be extra unless otherwise noted on page 3 of this quotation.
12. The option to upgrade to smooth-paintable ceilings in lieu of the texture-spray noted in item 6 on page 2 of this quotation WILL NOT be offered by MAPLE DRYWALL unless the Builder signs a Waiver Sheet.
(The Waiver Sheet attached)
12b. Builder to apply 95% prime paint and dust all walls prior to finish paint.
13. Upgraded or additional insulation and/or drywall to accommodate exterior walls situated less than 4'0" (1.2 metres) from adjoining property/lot lines will be extra.
14. Low expansion FOAM around exterior doors and windows is INCLUDED at main and second floor ONLY.
15. Maple Drywall will not be responsible for any delay due to other trades.
16. Maple Drywall will not be responsible for any repairs to attic insulation due to blow back, wind damage of low insulation due to soffits not being installed.
17. Any insulation required for filling voids where partywalls meet exterior walls or roof boards is to be supplied and installed by others.
18. The Gypsum board finish Level to be Level 4 finish, not including garage.
