| 0010                                                                                                                                                               | Provide for 10ft ceilings on the main floor in lieu of standard. Does not include areas where bulkheads are required. Window sizes will be increased by 6" in height, based on standard white window frames. Front Doors and patio Sliding Doors to be increased to 8ft based on standard door style / hardware / trim package. This does not include the door from house to garage (if applicable). NOTE: there will be an approximate 1ft gap between the upper cabinets and bulkhead in the kitchen and / or approximate 2ft gap between upper cabinets to ceiling if bulkheads not required.<br>Alloc: H,HOM,2060,B-175,1190,2 | 1.00 LS       | 0.0000    | 0.00         |       |       | 0.00       |
| 0020                                                                                                                                                               | Provide 9ft ceilings on the 2nd floor, with 8ft interior door height in lieu of standard. Does not include areas where bulkheads are required. Window sizes will be increased by 6" in height, based on standard white window frames. All interior doors on the 2nd floor to be increased by 8ft, based on standard door style / hardware / trim package.<br>Alloc: H,HOM,2060,B-175,1190,2                                                                                                                                                                                                                                        | 1.00 LS       | 0.0000    | 0.00         |       |       | 0.00       |
