Whirlpool White Smart Top Load Washer (5.5 cu.ft.) - WTW6120HW

\$ 948.00

Sku: 13261201

Product Dimensions: Width: 27.25 Height: 42 Depth: 28

Take on everyday laundry with this 5.5 cu. ft. Smart Top Load Washer that is equipped with built-in water faucet, stain brush and Load & Go™ Dispenser.

Product Dimensions: Width: 27.25" Height: 42" Depth: 28"

Unique Features:

5.5 Capacity with Smooth Impeller has a bigger capacity for bigger loads so clothes have lots of room to move.

Pre-Treat Station Plus let's you soak, scrub and wash all in one spot with easy access to a built-in, dual temperature faucet and fabric brush. Plus you can add detergent to the water stream to spot-treat stains before they set in.

Load & Go Dispenser lets you skip detergent refills for up to 20 loads.

Easyview Slow-close Glass Edge Lid gives you a clean, streamlined look that lets you easily check on your load while it's washing.

PreSoak + Deep Water Wash Options allows you to choose how long you want to soak your items and let the washer keep track of time to automatically start the cycle when clothes are ready while the deep water wash option lets you customize the water level so heavily soiled clothes get an optimal clean.

Finish: White

Maytag Fingerprint-Resistant Stainless Steel French Door Refrigerator (20 Cu. Ft.) - MFW2055FRZ

\$ 2,098.00

Sku: 20245450

Product Dimensions: Width: 30 Height: 69 Depth: 35

This Maytag French door refrigerator offers style, convenience and efficiency to make your time in the kitchen that much more enjoyable. Constructed of sleek fingerprint-resistant stainless steel, this appliance brings a modern touch to any kitchen. LED lighting illuminates the contents of your refrigerator, so it's easier to spot what you're looking for. With the slide-out basket, grabbing your snacks has never been simpler.

Product Dimensions: Width: 30" Height: 69" Depth: 35"

Unique Features:

Automatic Defrost senses and adapts to help save energy and provides improved food preservation by running the defrost cycle only when necessary. Sensors monitor how often the compressor operates, as well as when the doors are opened to help determine when a defrost cycle is required. LED lighting makes it easy to see fresh and frozen food. It puts a spotlight on the contents of your refrigerator, casting more natural light so food looks as it should. The slide-out basket makes it even easier to quickly spot and grab what you're looking for.

Maytag 24" Fingerprint Resistant Stainless Steel dishwasher with Dual Power filtration (50 dBA) - MDB4949SKZ

\$ 848.00

Sku: 20249924

Product Dimensions: Width: 24 Height: 34.5 Depth: 24.5

Skip the soaking and scrubbing with Dual Power Filtration, a dishwasher filtration system that disintegrates any food in its path. Maytag® dishwashers with Heated Dry reduce excess moisture so dishes come out dry, while a full stainless steel tub is tough enough to handle high heat for years. Plus, ENERGY STAR® certified dishwashers help save money on utility bills.

Product Dimensions: Width: 24" Height: 34.5" Depth: 24.5"

Unique Features:

Skip soaking, scrubbing and pre-rinsing with Maytag engineering that puts an end to pre-work. Industry-exclusive Dual Power Filtration combines 100% microfiltration and a 4-blade stainless steel chopper to filter out then disintegrate any food in its path. The PowerBlast® cycle scours away stubborn foods like egg yolk, peanut butter and even dried-on oatmeal. High-pressure jets, increased water temperatures and hot steam work together to clear food off dishes—so all you have to do is load them in. Up the temperature to reduce excess moisture inside your dishwasher and get dishes nice and dry. You're in control with a simple tap of your finger. Smooth, tap-to-activate settings give you quick and seamless access to powerful cleaning. Put bulky pots and pans in their place with increased upper rack height that fits big dishes usually left for the bottom—so there's no need for a second load.

Maytag Stainless Steel Slide-In Electric Convection Range (6.4 Cu. Ft.) - YMES8800FZ

\$ 1,798.00

Sku: 20245469

Product Dimensions: Width: 30 Height: 36 Depth: 29

This slide-in stainless steel Maytag electric convection range will make a sleek addition to your kitchen decor. It offers 6.4 cu. ft. of capacity for even your largest family dishes. Keep a close eye on your meals as they cook with the oven's extra-large window and interior light to ensure your food comes out just the way you want it. Once your dish is cooked, use the Keep Warm setting to prevent it from going cold as you prepare the rest of your feast.

Product Dimensions: Width: 30" Height: 36" Depth: 29"

Unique Features:

The EasyView™ extra-large oven window provides better visibility of the oven interior. Monitor cooking progress without opening the door, keeping oven temperatures steady and food undisturbed.

The Keep Warm Setting uses low heat to keep food warm inside the oven, so you can prevent completed dishes from getting cold while you work on the rest of your meal.

Enjoy the added convenience of an automatic oven light that provides the illumination you need to see inside your oven whenever the door is opened. The oven light can also be turned on and off manually while the door is closed.

Capacity: 6.4 cu. ft.
