

## LG TOP-CONTROL BUILT-IN DISHWASHER WITH QUADWASH™ – LDP6797ST

**\$ 1,099.95**

**SKU:** LDP6797S

**VSN:** LDP6797ST

### Dimensions

Width: 23.75" (60.3 cm) Height: 33.50" (85.1 cm) Depth: 24.63" (62.6 cm)

Your dishes will sparkle thanks to this built-in dishwasher by LG. QuadWash uses four spray arms that rotate back and forth while spinning, so the high-pressure jets target dishes from multiple angles to reach every nook and cranny. This clean machine operates at a mere 44 decibels, making this appliance quieter than brewing a cup of coffee. With 15 place settings, you can fit every single dish inside and say goodbye to washing dishes by hand. And to top it all off, the EasyRack™ Plus system adjusts to just about any load of dishes to help ensure optimal cleaning performance.

### Key Features:

- QuadWash
- EasyRack™ Plus
- Quiet Operation
- 15 Place Settings
- NeveRust™ Stainless Steel Tub
- ENERGY STAR® Qualified

## LG 23 CU. FT. COUNTER-DEPTH FRENCH-DOOR REFRIGERATOR - LFCC22426S

**\$ 2,399.95**

**SKU:** LFCC2242

**VSN:** LFCC22426S

### Dimensions

Width: 35.75" (90.8 cm)   Height: 69.75" (177.2 cm)   Depth: 31.25" (79.4 cm)

This spacious LG French-door refrigerator is ready to cool everything from your healthy veggies to favourite treats. The SmartCooling® system reacts to temperature fluctuations to help keep your foods fresher for longer. As sleek on the outside as it is on the inside, the counter-depth design fits flush with surrounding cabinetry and countertops for a lux built-in look. It's all finished with a fingerprint-resistant PrintProof™ coating to keep your purchase looking like new for years to come.

### Unique Features

**Call, Connect, Resolve:**

Feel long-lasting confidence in your purchase – SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone, providing you with comfort and reliability.

**True Counter-Depth:**

This LG refrigerator aligns with countertops and cabinetry for a uniform profile, creating a sophisticated built-in look without the high-end price tag.

**PrintProof Finish:**

You can have all the things you love about stainless steel without the need for special cleaners or constant attention. The PrintProof fingerprint and smudge resistant finish easily wipes clean with a soft, dry cloth for an effortlessly gleaming kitchen.

**Smart Cooling System:**

The linear compressor reacts quickly to temperature fluctuations and helps to keep your food fresher for longer. Meanwhile, strategically-placed vents in every section surround your food with cool air, no matter where in the fridge it is.

**Advanced Refrigeration:**

Door Cooling + provides a steady supply of cold air to keep contents at peak freshness, while the Multi-air Flow System is designed to maintain superior humidity and temperature levels.

**Smart Pull™ Handle:**

The Smart Pull handle makes opening and closing the freezer quick and easy. All it takes is a simple lift of the handle for effortless access to your freezer.

**ENERGY STAR™ Certified:**

This fridge meets the requirements for federal standards in energy use, so you know you’re doing your part.

**LG STUDIO 6.3 CU. FT. INSTAVIEW® GAS SLIDE-IN RANGE - LSGS6338F**

**\$ 3,099.95**

**SKU:** LSGS633F

**VSN:** LSGS6338F

**Dimensions**

Width: 29.88" (75.9 cm)   Height: 37.25" (94.6 cm)   Depth: 29.38" (74.6 cm)

Exceptional style and a plethora of cooking options make up this LG STUDIO gas range. Impress your guests' eyes with the sleek, modern design while impressing their taste buds with delicious meals. Air Sous Vide and Air Fry modes allow you to make everything from juicy pork chops to wonderfully crisp potato wedges. Plus, powerful burners quickly cook, sear and boil to get your meal ready in a flash. Keep an eye on your food by simply knocking on the range's window, or take control from anywhere thanks to the ThinQ® app for ultimate convenience.

**Unique Features**

**Elevated Design in Every Detail:**

This is the redesigned LG STUDIO. Modern flat panels and pro-style handles married with a PrintProof™ finish let this range elevate your kitchen space. Plus, lasting performance combined with capacity and high-end innovations help you create experiences your guests will never forget.

**A Brilliant Addition to Any Kitchen:**

The unique Brass Burner of LG gas range cooktops brings a bright touch of elegance to any kitchen. Positioned at the front right, the brass finish adds distinction to the powerful cooking ability of the UltraHeat™ Burner.

**Knock Twice to See What’s Cooking:**

The InstaView window lets you look inside your oven without ever opening the door and letting heat escape – and it's extra wide to see even more.

**ProBake Convection™:**

By placing a heating element around the convection fan, air is heated as it circulates throughout the oven. The result? Improved multi-rack baking and quicker preheat times.

**Crispy Flavour to Feed a Crowd:**

High temperatures and a convection fan work together to deliver the flavour and crunch you crave without the oil or the guilt – just press Air Fry and let your oven do the rest.

**Master Restaurant-Quality Flavour:**

Using low temperatures and airflow around vacuum sealed ingredients, Air Sous Vide locks in moisture and aroma to deliver meats, fish and poultry that are juicy, tender and consistently delicious.

**Stay Connected:**

Use the ThinQ app to start the oven, set timers or check on dinner from anywhere. Simply speak to control your oven with Alexa and Google Assistant.

**Quick Clean:**

Just spray the oven interior with water, press EasyClean® and then in 10 minutes, quickly wipe away any leftover grime. You can still use the traditional self-clean cycle for the occasional deep clean.

**LG 5.8 CU. FT. SMART FRONT-LOAD WASHER AND 7.4 CU. FT. ELECTRIC DRYER**

**\$ 2,898.95**

**SKU:** LGFL4500  
**VSN:** WM4500HB/DLEX4500

Count on this LG washer and dryer pair to achieve a thorough clean while protecting your clothing. TurboWash 360 technology offers wash cycles designed to keep up with your busy life thanks to powerful high-pressure twin nozzles. Then, the front-load dryer’s built-in AI technology takes the guesswork out of dry time by automatically selecting optimal temperature and time for each load. Finally, TurboSteam™ keeps your garments fresh and in tip-top shape by providing excellent clothing care using faster, stronger and more steam.

**Unique Features**

Built-In Intelligence Takes Out the Guesswork:

LG’s innovative new technology determines the weight and fabric softness of each new load to select the optimal wash pattern, improving wash performance and extending the life of your clothes.

Fast Forward Your Laundry:

LG's revolutionary TurboWash 360 technology offers cycles designed to keep up with your busy life. The powerful high-pressure twin nozzles give outstanding cleaning performance without any shortcuts.

Automatically Dispense the Optimal Detergent:

ezDispense™ automatically determines and dispenses the optimal detergent amount for your cycle based on the weight of your load, preventing overuse while maximizing your wash performance.

Deep Clean with Steam:

LG’s Steam™ technology gently but powerfully penetrates fabrics to virtually eliminate dirt, odours and wrinkles.

The Allergiene™ Cycle:

The Allergiene cycle uses the intense power of steam to gently remove over 95% of common household allergens, like dust mites and pet dander from even the most delicate fabrics.

**Built-in Wi-Fi Intelligence:**

It’s no longer necessary to guess dry time –the AI technology selects optimal dry settings so you don’t have to.

**TurboSteam:**

Enjoy advanced care for your favourite clothes with faster steam generation, stronger spray power and higher steam volume.

**SteamFresh™ Cycle:**

Reduce wrinkles and odours faster. You can get your favourite shirt back in perfect shape in 10 minutes with up to five garments.

**ReduceStatic Option:**

This option utilizes heat and steam to help minimize static electricity.

**Ultra-Large Capacity:**

This mega-capacity dryer allows room to dry more clothes in fewer loads.

**Flow Sense™:**

This feature detects and alerts you to blockages in the ductwork that reduce exhaust flow from the dryer so you can keep using your new appliance safely and efficiently.

**Sensor Dry:**

This system measures the moisture level during the cycle and automatically optimizes drying time.
