SAMSUNG

Bespoke Counter Depth 4-Door French Door Refrigerator (23 cu. ft.) with Family Hub

Signature Features

Customizable Door Colors
Customize the design of your refrigerator with changeable door panels. Choose from a variety of colors and two finishes to create a space that fits your style.

Family Hub™
Samsung's Family Hub™ refrigerator helps you connect to what's most important: your family and home. Family Hub™ lets you see inside your refrigerator, manage your family's calendars, stream music, see who's at the front door and much more, all right from your fridge.

Beverage Center™
Quick access to refreshingly cool, filtered water two ways. Choose from an internal dispenser or a built-in pitcher that automatically refills, with the option to infuse with a flavor.

Dual Ice Maker with Ice Bites
Enjoy your favorite beverage with your choice of ice. Select from cubed ice or Ice Bites that chill your drink faster. Makes up to 5.3 lbs per day, stores up to 7.3 lbs total.

ENERGY STAR® rated: 618 kWh/yr

Bespoke Counter Depth 4-Door French Door Refrigerator (23 cu. ft.) with Family Hub
Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).

2. Refer to illustration below to determine dimensions.

3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.

4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.

5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

Measure height including flooring. Be sure to allow for hinge clearance height if needed.

Measure width including countertop overhang.

Measure depth including molding or trim.

Total Capacity: 22.5 cu. ft.

Refrigerator: 13.2 cu. ft.
- 4 Tempered Glass Spill-Proof Shelves
- 2 Clear Drawers, Including Crisper+
- 6 Door Bins

**Samsung Front Control Slide-In Electric Range with Air Fry**

6.3 cu. ft. Capacity

Installation Specifications

A: Cabinet opening min 30"
B: Acceptable electrical outlet area
IMPORTANT: If your cabinets are over 36½" high, you must install this range on a hard, heat-resistant support that raises the surface of the range so that it is about even with the countertop.

* 30" minimum clearance between the top of the cooking surface and the bottom of an unprotected wood or metal cabinet; or 24" minimum when the bottom of the wood or metal cabinet is protected by not less than ¼" of flame retardant millboard covered with not less than no.28 MSG sheet steel, 0.015" stainless steel, 0.024" aluminum, or 0.020" copper.

**15" minimum between the countertop and the adjacent cabinet bottom.

IMPORTANT: Consult with Installation Manual for detailed instructions before installing. All ranges must be installed with the Anti-Tip device that is included.
