Hi Josie,

Can please confirm Ice White was for the kitchen countertop for our house, not the shared washroom countertop?

We just reviewed the list (please see attachment). According to the list White Shadow was for Kitchen and Kitchen Island, not shared bathroom.

Hung Nguyen

Hello Hung,

Please see attached Ice White. This is offered in lieu of White Shadow.

Please let me know if this meets with your approval for your Shared Bath. So, we may proceed with production
